The Australian in America J. L. Dow, 1884 **Australian Jewel Beetles** Geoff Williams, Kevin Mitchell, Allen M. Sundholm, 2024-03 Australian Jewel Beetles An Introduction to the Buprestidae is a comprehensive overview of Australia's buprestid fauna It presents taxonomic ecological and biogeographic information for all Australian genera and their association with the world's Buprestidae more widely It explores plant evolution dependencies as well as threats and conservation for this diverse fauna The authors bring together their extensive experience and understanding of the wealth of Australia's largely endemic species supported by spectacular images Australian Jewel Beetles will be valued by professional biologists and ecologists as well as entomologists and naturalists in Australia and abroad *The Story of the Australian Bushrangers* George Boxall, 1899 **Nineteenth-Century Theatre and the Imperial Encounter** Marty Gould, 2011-05-09 In this study Gould argues that it was in the imperial capital's theatrical venues that the public was put into contact with the places and peoples of empire Plays and similar forms of spectacle offered Victorian audiences the illusion of unmediated access to the imperial periphery separated from the action by only the thin shadow of the proscenium arch theatrical audiences observed cross cultural contact in action But without narrative direction of the sort found in novels and travelogues theatregoers were left to their own interpretive devices making imperial drama both a powerful and yet uncertain site for the transmission of official imperial ideologies Nineteenth century playwrights fed the public's interest in Britain's Empire by producing a wide variety of plays set in colonial locales India Australia and to a lesser extent Africa These plays recreated the battles that consolidated Britain's hold on overseas territories dramatically depicted western humanitarian intervention in indigenous cultural practices celebrated images of imperial supremacy and occasionally criticized the sexual and material excesses that accompanied the processes of empire building An active participant in the real world drama of empire the Victorian theatre produced popular images that reflected interrogated and reinforced imperial policy Indeed it was largely through plays and spectacles that the British public vicariously encountered the sights and sounds of the distant imperial periphery Empire as it was seen on stage was empire as it was popularly known the repetitions of character types plot scenarios and thematic concerns helped forge an idea of empire that though largely imaginary entertained informed and molded the theatre going British public **Sands & McDougall's South Australian Directory with which is Incorporated Boothby's South Australian Directory**, 1919 **Wright's Australian and American Commercial Directory and Gazetteer**, 1881 **Australian Annual Digest**, 1898 **History of the Australian Bushrangers** George Eedes Boxall, 1916 **Australian National Bibliography: 1992** National Library of Australia, 1988 *Who's who in the Commonwealth of Australia*, 1922 *Who's who in the Commonwealth of Australia ...* Fred Johns, 1922 *Australian national bibliography*, 1961 *The Australian Journal*, 1873 *Annual Report of the Council for Scientific and Industrial Research* Council for Scientific and Industrial Research (Australia), 1927 **The South**

Australian Government Gazette South Australia,1900 **Opposition Vanishing** Ashley Lavelle,2017-09-02 This book questions the common understanding of party political behaviour explaining some of the sharp differences in political behaviour through a focused case study drawing systematically on primary and archival research of the Australian Labor Party's political and policy directions during select periods in which it was out of office at the federal level from 1967-72 1975-83 and 1996-2001 Why is it that some Oppositions contest elections with an extensive array of detailed policies many of which contrast with the approach of the government at the time while others can be widely criticised as policy lazy and opportunistic seemingly capitulating to the government of the day Why do some Oppositions lurch to the right while others veer leftward Each of these periods was in its own way crucial in the party's history and each raises important questions about Opposition behaviour The book examines the factors that shaped the overall direction in which the party moved during its time in Opposition including whether it was oriented towards emphasising programmes traditionally associated with social democrats such as pensions unemployment support and investment in public health education infrastructure and publicly owned enterprises as well as policies aimed at reducing the exploitation of workers In each period of Opposition examined an argument is made as to why Labor moved in a particular direction and how this period compared to the other periods surveyed The book rounds off with analysis of the generalisability of the conclusions drawn how relevant are they for understanding the behaviour of other parties elsewhere in the world Where are social democratic parties such as the ALP heading Is Opposition an institution in decline in the Western world
