Australia's Defence Peter Dean, Brendan Taylor, Stephan Frühling, 2014-07-18 Almost half a century ago the Australian National University's TB Millar penned a seminal book on Australian defence policy in the lead up to the Vietnam War Today Australia's defence forces are returning from long conflicts overseas while the rise of China and the economic integration in the Indo Pacific presents a complex mix of challenges and opportunities Drawing inspiration from Millar's original volume **Australia's Defence Towards a New Era** brings together leading experts to examine the domestic and international context of Australia's defence policy Australian strategy and the size and state of our armed forces As the country heads towards a new era this book provides an in depth overview and key insights into the past present and future of Australia's defence

Australia's Defence Forces Ray Sunderland, 1985 Yearbook Australia , **2002 Year Book, Australia** , APAIS 1991: Australian public affairs information service , **A Fatal Rivalry** David Evans, 1990 The author argues that there is not one city or military establishment in Australia that could be properly defended against air attack without American help He also surveys matters such as the unprecedented resignation rate from all three services the expensive frigate program the myth that there will be ten years warning of any attack on Australia and the inadequacies of our top military leadership He exposes the debilitating rivalries that exist both between civilians and the military and among the three armed services

Pacific Power? Joanne Wallis, 2017-07-17 Australia is much larger and has significantly more military and economic power than its Pacific Island neighbours As a result it is frequently described as having a natural right to lead in the region Yet Australia has found it difficult to effectively influence Pacific Island states in pursuit of its strategic interests It provides the definitive account of how and how effectively Australia has sought to influence Pacific Island states in pursuit of its strategic interests since 1975 the year that Papua New Guinea Australia's former colonial territory gained independence Informed by interviews with key decision makers **Pacific Power** analyses why Australia has had difficulty exercising influence in the Pacific Islands and identifies how Australia can more effectively influence Pacific Island states in pursuit of its strategic interests and how Australia can present itself more as a Pacific partner than power **Year Book, Australia** , 1978 **The National and English Review** , 1910 **The Politics of Trade in Australia's China Policy, 1966 to 1971** Edmund S.
