

AUTHOR'S CRAFT

Cheat Sheet

Alliteration

Occurs when the author uses the same letter or sound to begin each word in a string of words, such as, "Abbey's alligator ate apples and asparagus."

Allusion

An allusion is a figure of speech that makes reference to a well-known person, event, or place, such as "I was surprised his nose wasn't growing like Pinocchio's!"

Assonance:

This is the repetition of vowel sounds in nearby words. It is used to reinforce the meaning of words and often used to set the mood. Here's an example of repeated use of the long "o": "Poetry is old, ancient, goes back far. It is among the oldest of living things. So old it is that no man knows how and why the first poems came."

Hyperbole

An exaggerated comment or line used for effect and not meant to be taken literally. An example is, "I've told you a million times!"

Imagery

Language evoking one, some or all of the five senses. An example is, "She ordered a triple scoop of mint, chocolate chip ice cream with hot fudge and whip cream."

Metaphor

A direct comparison between two unlike things without using 'like' or 'as.' An example would be, "You are the light of my life."

Personification

Occurs when the author gives animals, objects, ideas or actions; the qualities of humans. An example is, "The calm sea kissed the southern shore."

Simile

A comparison of two unlikely items using 'like' or 'as.' An example is, "The pine trees stood as tall as statues."

Symbolism

An object or action that mean something more its literal meaning. A symbol's meaning rarely changes from text to text. Rainy days always mean a bad day or hard times.

Tone or Mood

The attitude an author takes toward the shape and life of the words. Tone and mood give voice and personality to the character, as well as as the whole piece, where the reader gets a sense of funny, serious, dramatic, etc.

Authors Craft

Karen Tankersley

Authors Craft:

The Author's Craft Arnold 1867-1931 Bennett,2023-07-18 The Author s Craft is a classic guide to the art of writing by the celebrated English author Arnold Bennett Featuring practical tips and insights on the writing process this book provides a valuable resource for both aspiring and experienced writers alike Whether you are looking to hone your craft or simply seeking inspiration The Author s Craft is an indispensable guide for anyone seeking to improve their writing skills This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Author's Craft Explained* Authors & Publishers Initiative,Authors and Publishers Initiative Staff,2010-05-21 DISCOVER THE SECRETS TO BECOMING AN AUTHOR Now you can use a practical step by step guide to the author s craft Have you ever admired those individuals who take the incredible step of becoming an author Do you ever find yourself wishing that you too could become an author Without the right tools and information it could take you years and cost you a small fortune to learn the secrets and techniques to successful writing Instead of spending a fortune on so called experts or knocking yourself out with the old trial and error method there is an easier way to learn the author s craft We won t deny that there are a ton of books out there on writing Unfortunately the problem with most books on the subject of writing is that they are either filled with plenty of promises and no solid techniques and strategies to back up those promises or they contain only one or two pieces of useful information and not a comprehensive look at everything you need to know to succeed in all areas of writing Now there s good news The Author s Craft for breaks the mold of all the other writing books and manuals you have heard and read about It presents solid proven steps to help you learn how to successfully write Suppose you could finally become the writer you ve always dreamed of Sounds too good to be true It s not and we can prove it with *The Author s Craft Explained* *The Author's Craft* Arnold Bennett,1914 Excerpt a legion admire for a fortnight or a year They hate an uncompromising struggle for the truth They positively like the artist to fall to temptation If he falls they exclaim How sweet The latter are capable of savouring the fine unpleasantness of the struggle for truth And when they whisper in their hearts That is not true to life they are ashamed for the artist They are few very few but a vigorous clan It is they who confer immortality pg 67 PART III WRITING PLAYS pg 68 pg 69 I There is an idea abroad assiduously fostered as a rule by critics who happen to have written neither novels nor plays that it is more difficult to write a play than a novel I do not think so I have written or collaborated in about twenty novels and about twenty plays and I am convinced that it is easier to write a play than a novel Personally I would sooner write two plays than one novel less expenditure of nervous force and

mere brains would be required for two plays than for one novel I emphasise the word write because if the whole weariness between the first conception and the first performance of a play is compared with the whole weariness between the first conception and the first publication of a novel then the play has it I would sooner get seventy and seven novels produced than one play But my pg 70 immediate object is to compare only writing with writing It seems to me that the sole persons entitled to judge of the comparative difficulty of writing plays and writing novels are those authors who have succeeded or failed equally well in both departments And in this limited band I imagine that the differences of opinion on the point could not be marked I would like to note in passing for the support of my proposition that whereas established novelists not infrequently venture into the theatre with audacity established dramatists are very cautious indeed about quitting the theatre An established dramatist usually takes good care

Cracking Open the Author's Craft Lester L. Laminack, 2007 Award winning children's author and acclaimed educator Lester Laminack invites you and your students to join him as he peels back the layers of his picture book *Saturdays and Teacakes* to make the writing moves visible With Lester as guide on the enclosed DVD your young writers will observe and explore what he did how he did it and why he did it that way As Lester demonstrates how to read with a writer's eyes and ears your students will gain increasing control over their own narrative writing Lester provides you with multiple tools You'll find 14 ready to use mini lessons to introduce your students to techniques and literary elements Carefully selected anchor texts provide inspiration for exploring each technique and element In addition a professional workshop to use on your own or with colleagues will deepen your own knowledge base This workshop in a book also perfect for literacy coaches and teacher leaders demonstrates how to read like a writer identify craft moves and form theories about why the moves were made The DVD features Lester explaining how writers practice audible and visual craft using *Saturdays and Teacakes* to illustrate both The DVD also includes downloadable forms that you can share with your students to explore author's craft and to monitor their evolving understanding Use the DVD to have Lester talk directly to the class or use the book to present the lessons yourself Either method will help you teach your students to develop their own craft moves which will enliven and refine their writing Book jacket

[Tests that Teach](#) Karen Tankersley, 2007 Karen Tankersley examines the various types of questions that routinely appear on national and state assessments and offers guidelines on how to create daily lessons that encourage students to practice the skills and demonstrate the knowledge they'll need to use on high stakes tests

Writing Lesson Level 5--Exploring an Author's Craft Richard Gentry, Ph.D., Jan McNeel, M.A.Ed., 2014-02-01 Incorporate writing instruction in your classroom as an essential element of literacy development while implementing best practices Simplify the planning of writing instruction and become familiar with the Common Core State Standards of Writing

The Author's Craft Arnold Bennett, 2024-02-02 Dive into the world of literary craftsmanship with Arnold Bennett as he dissects the art and intricacies of writing offering valuable insights for aspiring authors and avid readers alike Embark on a profound exploration of literary craftsmanship with Arnold

Bennett's enlightening guide *The Author's Craft: Unlocking Literary Secrets* delve into the art and technique of storytelling as Bennett reveals the hidden gems that transform words into timeless works of literature. As Bennett unravels the intricacies of the author's craft, witness the alchemy that turns imagination into prose. Bennett's wisdom invites you to view literature with a new perspective, unveiling the magic that lies within the pages of every well-crafted book. Are you ready to uncover the mysteries of literary creation and elevate your reading experience with Arnold Bennett's guiding hand? Immerse yourself in the pages that bridge the gap between author and reader. Bennett's exploration is not just a manual; it's an invitation to forge a deeper connection with the written word. Will you seize the opportunity to unlock the secrets of literary craftsmanship? Take the first step toward a richer literary journey. Acquire *The Author's Craft: Unlocking Literary Secrets* now and let Arnold Bennett be your mentor in unraveling the magic woven into the fabric of every compelling story.

AUTHORS CRAFT Arnold, 1867-1931. Bennett, 2016-08-24. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world, and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity, individual, or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

The Author's Craft Arnold Bennett, 2017-07-20. Written in 1914, this is a short exposition by Bennett on writing. His instructional volume contains *Seeing Life*, *Writing Novels*, *Writing Plays*, and *The Artist and the Public*. He doesn't get into technique other than to expound on the need for design or construction to follow inspiration. He writes with passion; indeed, he mentions that passion is one of the two essential characteristics of the novelist, the other key attribute being a sense of beauty. He also discusses the key differences between writing novels and writing plays, having written about twenty of each.

The Author's Craft Arnold Bennett, 2004-12. *The Author's Craft* By Arnold Bennett. It will be well for us not to assume an attitude of condescension towards the crowd. Because in the matter of looking without seeing, we are all about equal. We all go to and fro in a state of

the observing faculties which somewhat resembles coma We are all content to look and not see We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Guided Highlighted Reading Barbara A. Nelson, Elaine M. Weber, Cynthia Lynn Schofield, 2012 In Guided Highlighted Reading teachers of grades 4-12 learn an easy and effective text-based strategy that scaffolds all students to return to a complex or difficult text for four different reading purposes This resource uses prompts not questions to build competency with difficult and complex text for four close reading purposes for any content area Reading comprehension Author's craft Tier II vocabulary acquisition and Answering multiple choice questions on high stakes assessments Sample passages from ELA Appendix B of the Common Core State Standards are prepared for student use for all purposes along with how to directions rubrics for assessing mastery of reading comprehension and author's craft and an alignment of the four purposes to the CCSS Guided Highlighted Reading is a go-to resource for teachers to help students navigate complex texts and meet the rigorous requirements of the CCSS

Scoring Rubrics in the Classroom Judith Arter, Jay McTighe, 2001 A practical guide to more effective assessment for improved student learning Learn how to be more consistent in judging student performance and help your students become more effective at assessing their own learning This book offers a practical approach to assessing challenging but necessary performance tasks like creative writing real world research projects and cooperative group activities Judith Arter and Jay McTighe experts in the field of assessment wrote Scoring Rubrics in the Classroom to help you achieve three main goals Clarify the targets of instruction especially for hard to define problem solving Provide valid and reliable assessment of student learning Improve student motivation and achievement by helping students understand the nature of quality for performances and products Each chapter is framed by an essential question and includes illustrative stories practical examples tips and cautions and a summary of key points and recommended resources for further information The resources section contains a wealth of rubrics to adopt or adapt Teachers and administrators will find this an essential resource in increasing teacher effectiveness and student performance

Reading to the Core Elaine M. Weber, Cynthia Schofield, 2013-12-27 Close critical and generative reading can be broken down into five key questions that a strategic reader must answer What does the text say How does the author say it What does the text mean What does it mean to me What insights can I now gain In this resource the authors show that insight into these questions is the key to

comprehending text The authors provide tools such as mining charts assessments progress monitoring charts and rubrics to strengthen the teaching and use of strategies including guided highlighted reading for craft finding the element of argument in text reading multiple texts for theme and evaluating visual text A culminating chapter provides a blueprint for creating a literacy action plan for classroom school and district that highlights students growth and documents teacher effectiveness

Authors Craft Introduction

In today's digital age, the availability of Authors Craft books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Authors Craft books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Authors Craft books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Authors Craft versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Authors Craft books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Authors Craft books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Authors Craft books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the

public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Authors Craft books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Authors Craft books and manuals for download and embark on your journey of knowledge?

FAQs About Authors Craft Books

1. Where can I buy Authors Craft books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Authors Craft book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Authors Craft books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

- Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Authors Craft audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Authors Craft books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
