The world's most recognizable television minister guides his readers along the path of prayer in his first spiritual autobiography. In a nondenominational book meant for all audiences, Dr. Schuller uses his own life story to show how prayer has been the supreme essence of his spiritual journey as well as an exciting adventure in knowing God and being His instrument.

**Autobiography of an Old Breviary** Herman J. Heuser, 2022-02-14. A book is a book and a very good thing for all the wisdom and knowledge that makes up its contents. Books are common everyday tools of leisure, education, and prayer, but not every book is a common thing. The Holy Bible is certainly an extraordinary one, and so too the Breviary of the Catholic priest is a very great book, having its roots in Holy Scripture itself. The breviary is the lifetime companion of the priest. It is his first act in the morning to open its pages and begin the day with prayer. It is his last act in the evening to finish the day's prescribed reading and prayers from it. We may hear priestly conversation on the subject of the breviary, but did you ever wonder what a breviary may reflect about itself? Chances are that not many have sat and contemplated what the life of a breviary might have held, and this is why *The Autobiography of an Old Breviary* is an interesting speculative read, and the author makes it quite entertaining. To educate and inspire the reader, Rev. Herman J. Heuser amusingly writes in the first person the character of a Totum Roman Breviary or complete breviary. This character is high-minded, being a Totum and not just an abbreviated prayer book, and begins with a complaint at having been shelved at, assumedly, nearing the end of its life. Sometimes says the Totum, "I have been in the hands of clerics who just treated me as if I were nothing but a common prayer book or a school manual which one wants to get through with as quickly as possible. But the professor knew better. The professor here is the Totum's inseparable companion, the Padre. Likening a priest and breviary to be a couple working through the hardships of life together, much of the complaint of the Totum is that it is being treated ill compared to its high value and set aside much as a wife might complain about her husband for being preoccupied or set aside for other persons. The Voice of the Breviary speaks more than the story would relate, which is a pleasant read to say the least. Yet it goes further to uncover the deep reverence one must hold for the Roman Breviary itself and its relationship with the priest, and indeed all the faithful. The author states in the introduction that the main purpose for the title is the encouragement and benefit of the priest who, by reading, will be inspired with a greater devotion and love for his duty toward

the Divine Office The book does well to detail the Hebrew origins of the Catholic liturgy and spends a good deal of time doing so It is a very exact and well referenced study relating the psalms by name and their use in both the Hebrew worship and the Catholic and explaining their fittingness and meaning of use Autobiography of an Old Breviary is a cherished read once begun In the process of reading this title the reader gains A complete history of the Roman Breviary An Apologia for the Faith Priesthood and Catholic interpretation of the Bible In depth detail of the linguistics of the Church An excellent explanation of the Church s liturgy and culture through the Kalendorium A brief instruction on how to follow the Breviary with description of its parts A greater devotion in the recitation of the breviary *Theology as Autobiography* Colby Dickinson,2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one s humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self examination of one s most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one s sins or brokenness and the articulation of what one believes **Catalogue** New South Wales Free Public Library, Sydney,1902 **The American Catalogue** ,1880 American national trade bibliography **The Perfect Teacher** Katherine Lever,1964 **The New Schaff-Herzog Encyclopedia of Religious Knowledge** Albert Hauck,Samuel Macauley Jackson,Charles Colebrook Sherman,George William Gilmore,1911 **A History of American Revivals** Frank Grenville Beardsley,1912 **An Essay Towards an Indian Bibliography** Thomas Warren Field,1873 **The American Catalog** ,1880 **A History of the Moravian Church** J.
