reader to the core skills needed to become a great coach *The CCL Handbook of Coaching* Sharon Ting, Peter Scisco, 2006-04-07 Coaching is vital to developing talent in organizations and it is an essential capability of effective leaders. The CCL Handbook of Coaching is based on a philosophy of leadership development that the Center for Creative Leadership has honed over thirty years with rigorous research and with long rich experience in the practice of leadership coaching. The book uses a coaching framework to give a compass to leaders who are called to coach as a means of building sustainability and boosting performance in their organizations. The book explores the special considerations that leader coaches need to account for when coaching across differences and in special circumstances, describes advanced coaching techniques, and examines the systemic issues that arise when coaching moves from a one to one relationship to a developmental culture that embraces entire organizations.

The Complete Handbook of Coaching Elaine Cox, Tatiana Bachkirova, David Clutterbuck, 2010 This comprehensive guide to coaching explores a full variety of coaching theories, approaches, and settings and offers strategies for the reader to identify and develop a personal style of coaching. Written by leading international authors, each chapter makes explicit links between theory and practice and generic questions will facilitate further reflection on the topic. There are also suggestions for reading and short case studies. This is the first book to explore the differences between the theoretical perspectives of coaching and the links between these perspectives in relation to contexts, genres, and media of coaching.
