## **Catalina Hideaway:**

*Actual Malice* Breton Peace, Gary Condit, 2016-10-25 *Actual Malice* is a true crime thriller that will take you through the backrooms of political gamesmanship deception and cover up If it were a novel readers would marvel at the rich character development riveting pace and often bizarre twists that make *Actual Malice* a compelling read The fact that it is scrupulously documented nonfiction is sobering If you know nothing about Gary Condit or the tragic death of Chandra Levy there has never been a more engaging and thoughtful introduction to the sordid interplay between politicians law enforcement and the media *Actual Malice* should be required reading for any public figure If you followed the story of the murdered intern and the congressman driven from office by one of the most intense media cyclones in history *Actual Malice* will challenge virtually everything you think you know Breton Peace takes readers on a roller coaster ride through Congressman Condit's eyes as corrupt and incompetent cops and a dark insidious team of scandal management experts manipulate a willing press To begin Carolyn and Gary Condit had come an incredible distance together since setting out from Oklahoma for California where Gary and the Condit family name became synonymous with the Central Valley In May of 2001 the moderate Blue Dog Democrats of which Condit was a founding member held significant power in Congress Condit had used the coalition to deliver bipartisan victories in Bill Clinton's second term and was now flexing that muscle on the House Intelligence Committee Condit accomplished what few of his generation could achieve genuine political independence from both political machines The sky was the limit When Chandra Levy a twenty four year old Bureau of Prisons intern disappeared in 2001 the wheels came off Gary's ambitions Accused of having an affair with Levy a whirlwind of rumor intrigue and treachery surrounded him More than a decade of lies manipulation and deception followed until in 2016 the justice system cracked under the stress of its own spinelessness *Actual Malice* chronicles in vivid detail the heartache and intrigue behind the salacious if fanciful headlines that too often drive public debate and derail the serious business of our nation and its system of justice

**Groucho Marx, Secret Agent** Ron Goulart, 2002-07-17 It could be said that in this episode Groucho Marx operates as a Hollywood style Scarlet Pimpernel with a repertoire of outrageous puns covering the steely daring life of a counterspy But as Groucho might retort his cover is at the dry cleaner and besides Groucho is not one to hide his light under any bushel even one of stuffed clams So he and Frank Denby his sidekick scriptwriter and close friend set out to uphold their reputation as amateur sleuths by looking into the death of British director Eric Olmstead First Olmstead fainted at a star studded Halloween party after a man dressed as the Grim Reaper had whispered to him and then disappeared But it is not until the next day that he is found dead presumably by his own hand It is 1939 everyone expects the U S to join the war raging in Europe And everyone is looking under the bed for spies Soon the questions surrounding the death of Eric Olmstead takes on an odor of espionage The police call Olmstead's death a suicide After all he did leave a typed note His widow refuses to believe that her husband shot himself and persuades Groucho and Frank to look further Soon the pair is enmeshed in FBI

agents and Los Angeles police while the grieving widow clamors for revenge Here is where Groucho proves his genius as a detective he seizes on the clue that reveals the death to be murder This however is only the beginning There is another murder Groucho and Frank are attacked Frank is shot at but not hit Groucho is hit but not shot at just knocked to the floor by the fleeing assailant They not only survive but they pinpoint the Nazi spy and the Hollywood figures working with them In a romp made delightful in spite of spies murders and occasional dire peril Groucho uncannily resurrects the most garrulous Marx brother and his unique brand of patter The Groucho Marx of these stories is the next best thing to the capering of the late comedian himself and a happy gift to everyone who remembers him fondly as well as those meeting him for the first time
