Amish Horses:

Horses with a Mission Allen Anderson, Linda Anderson, 2010-09-07 With twenty one dramatic true stories of courageous loyal and loving horses who found their life's purpose this book reveals the wonders possible when both humans and horses are encouraged and allowed to follow their best instincts The heroic equines you will meet include Molly a pony who survived Hurricane Katrina and the loss of a leg who spreads her message of hope to disabled children Her story went viral with coverage on the Internet in the New York Times and on the CBS Evening News Sankofa an Arabian stallion who made it possible for social studies teacher Miles J Dean to complete a cross country journey in tribute to African American ancestors Millions of adults and schoolchildren followed their odyssey as Miles and Sankofa made history come alive Diana a wild horse of the rare Gila herd who proved to be a proud and resourceful lead mare who protected her herd and taught the great lesson of forgiveness Butch a retired gelding who showed such an unswerving belief in a profoundly mentally retarded girl that he restored a mother's hopes for her child's future

Diagnosis and Management of Lameness in the Horse Michael W. Ross, Sue J. Dyson, 2010-10-29 Covering many different diagnostic tools this essential resource explores both traditional treatments and alternative therapies for conditions that can cause gait abnormalities in horses Broader in scope than any other book of its kind this edition describes equine sporting activities and specific lameness conditions in major sport horse types and includes up to date information on all imaging modalities This title includes additional digital media when purchased in print format For this digital book edition media content may not be included Cutting edge information on diagnostic application for computed tomography and magnetic resonance imaging includes the most comprehensive section available on MRI in the live horse Coverage of traditional treatment modalities also includes many aspects of alternative therapy with a practical and realistic perspective on prognosis An examination of the various types of horses used in sports describes the lameness conditions to which each horse type is particularly prone as well as differences in prognosis Guidelines on how to proceed when a diagnosis cannot easily be reached help you manage conditions when faced with the limitations of current diagnostic capabilities Clinical examination and diagnostic analgesia are given a special emphasis Practical hands on information covers a wide range of horse types from around the world A global perspective is provided by a team of international authors editors and contributors A full color insert shows thermography images Updated chapters include the most current information on topics such as MRI foot pain stem cell therapy and shock wave treatment Two new chapters include The Biomechanics of the Equine Limb and its Effect on Lameness and Clinical Use of Stem Cells Marrow Components and Other Growth Factors The chapter on the hock has been expanded substantially and the section on lameness associated with the foot has been completely rewritten to include state of the art information based on what has been learned from MRI Many new figures appear throughout the book A companion website includes 47 narrated video clips of gait abnormalities including typical common syndromes as well as rarer and atypical manifestations of lameness and

neurological dysfunction with commentary by author editors Mike Ross and Sue Dyson References on the companion website are linked to the original abstracts on PubMed

Gunner Victoria Howard,2020-06-16 Fairytale We all love fairytales because there is a piece of us a sliver of innocence left from our youth that suddenly surfaces when revealed by the printed page or silver screen It s there in our inner self the part that still believes in magical tales Looking at fairy tales through the lens of science reveals that some stories aren t as far fetched as they appear to be This is where the wonders of pure imagination kick in Many stories focus on animals that are always the eternal underdogs Who didn t love the stories of Bambi Lassie and Black Beauty They are essentially fairy tales but hauntingly told with a modicum of truth and reality The ingenious Walt Disney did it best as his characters came to life via animation bringing fantasy and imagination to reality and utilizing the tried and tested feel good philosophy that Dreams Can Come True That is after some trials and tribulations of course Although the story of Gunner is factual there are parts that have been enhanced and exaggerated in adherence to pure storytelling In true Walt Disney like inspiration Gunner is the basic rags to riches saga of an ordinary racehorse that overcomes incredible adversity to emerge as the extraordinary equine legend he is today After reading the story formulate your own conclusion Can horses really communicate with one another Do they connect with and even reflect human emotions Is there really that elusive Rainbow Bridge between Heaven and Earth where departed pets idyllically await their owners crossing It s your call but I know one thing Dreams Do Come True just ask Gunner

Amish Society John Andrew Hostetler,1980 Highly acclaimed in previous editions this classic work by John Hostetler has been expanded and updated to reflect current research on Amish history and culture as well as the new concerns of Amish communities throughout North America

The Amish Horse Breeder's Daughter Naomi Troyer,2021-03-09 FREE WITH KINDLE UNLIMITED The first man to catch Abigail s eye is the one man her father doesn t approve of Abigail has yet to court Spending most of her time with the horses bred on their farm Abigail has little time for dull courtships and men that don t quicken her heart beat But when a mare is in trouble and the handsome new vet comes calling Abigail knows things are about to change Levi and his mother left the community when he was a boy After spending half his life in the Englisch world and becoming a veterinarian Levi realizes that his true roots are with the Amish that he knew as a child Making the choice to return he agrees to an extended proving period to both the elders and the community that he is ready to commit to his Amish life Some are not as welcoming as the bishop and are cold and stand offish Warned to stay away from Abigail by her father

Levi feels his hopes dwindle wondering if he'll ever be accepted back. Can Abigail go against her father's wishes to follow her heart? Will Levi be able to prove to the community that leaving wasn't his choice but returning is? Enjoy this sweet Amish romance that proves that perceptions can be wrong and that love even unexpected can be genuine. *Weekly World News*, 2004-03-08

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Whispering to Horses Thomas Nye, 2015-11-02 An old fence separates a modern community from their Amish neighbors until a little boy opens the gate and breaks down barriers between them. Main characters Matt and Eli find friendship, hope, and a future through a mutual need which creates an opportunity for them to learn to understand each other. Eli and his little sisters will touch your heart by *Whispering to Horses*. [Around Springfield](#) Nancy Einreinhofer, 2023-06-26

Dutch traders came up the Hudson River in the mid 1600s to explore the area now known as central New York, including the region that would become the town of Springfield in 1797. In 1778, during the Revolutionary War, Springfield and the surrounding settlements were burned by Joseph Brant. As a result, George Washington ordered the Clinton Sullivan Campaign to break the power of the Iroquois Six Nations. When the Great Western Turnpike, now US Route 20, was extended westward in 1808, Springfield, a farming community, developed more businesses to accommodate a growing population. By the mid 1800s, hops had become a major industry, and many Springfield farmers grew them until a blight destroyed the crops in 1913. After 1920, dairy farming increased as a result of improved technology in cooling and shipping. Today, Springfield offers many attractions, including Glimmerglass State Park on Otsego Lake, Glimmerglass Music Festival, and the second oldest Fourth of July parade in the nation.

Plain Buggies Stephen Scott, 1998-10-01 Accessible in style, *Plain Buggies* presents the most complete work on the transportation modes of the plain people. Published to date, it includes details on prices, styles, laws, stories, why do 100,000 persons in North America refuse to drive cars for religious reasons, what are the main styles among the 90 some variations of their vehicles, what does a horse's face tell you about its personality, what about accidents, the law, and harassment. How much does a buggy cost in various states? How long does it last? Are they sold second hand? [English River](#) Thomas Nye, 2016 Our fast-paced world pulls us in many directions. Amid the stress and confusion of life, take a break and experience the gentle grace found in Amish country. Let your soul be refreshed as you drink in the sounds, scenery, and values held by the lovable characters of *English River*. This close-knit community seems to be from days gone by, but Amish farms are alive and well just down the road from our noisy cities.

In Book III of the acclaimed *Amish Horses* Series, Thomas Nye's writing artfully takes you there like a warm cup of tea on a rainy day.
