

Catherine Howard

Margaret Sanders

Catherine Howard:

Catherine Howard Lacey Baldwin Smith, 2009 A biography of Henry VIII's fifth wife beheaded for playing Henry at his own game adultery Katherine Howard Conor Byrne, 2019-04-29 Over the years Katherine Howard Henry VIII's fifth wife has been slandered as a juvenile delinquent empty-headed wanton and natural-born tart who engaged in promiscuous liaisons prior to her marriage and committed adultery after. Though she was bright, charming, and beautiful, her actions in a climate of distrust and fear of female sexuality led to her ruin in 1542 after less than two years as queen. In this in-depth biography, Conor Byrne uses the results of six years of research to challenge these assumptions, arguing that Katherine's notorious reputation is unfounded and redeeming her as Henry VIII's most defamed queen. He offers new insights into her activities and behaviour as consort, as well as the nature of her relationships with Manox Dereham and Culpeper, looking at her representations in media and how they have skewed popular opinion. Who was the real Katherine Howard, and has society been wrong to judge her so harshly for the past 500 years? Young & Damned & Fair Gareth Russell, 2017 England July 1540 it is one of the hottest summers on record and the court of Henry VIII is embroiled once again in political scandal. Anne Cleves is out, Thomas Cromwell is to be executed, and in the countryside an aristocratic teenager named Catherine Howard prepares to become fifth wife to the increasingly unpredictable monarch. During one of the hottest summers on record, the court of Henry VIII is embroiled once again in political scandal. The King's marriage to Anne of Cleves has failed, his closest adviser Thomas Cromwell is to be executed for treason, and in the countryside an aristocratic teenager named Catherine Howard prepares to become fifth wife to the increasingly irascible unpredictable monarch. Her story is both a very dark fairy tale and a gripping thriller. Born into nobility and married into the royal family, Catherine was attended every waking hour by servants and companions. Secrets were impossible to keep. Based on his research into Catherine's household, Gareth Russell's history unfolds as if in real time to explain how the queen's career ended with one of the great scandals of Henry VIII's reign. More than a traditional biography, this is a very human tale of some terrible decisions made by a young woman and of complex individuals attempting to survive in a dangerous hothouse where the odds were stacked against them. By illuminating Catherine's entwined upstairs-downstairs worlds and bringing the reader into her daily milieu, the author retells her story in an exciting and engaging way that has surprisingly modern resonances. Young and Damned and Fair is a riveting account of Catherine Howard's tragic marriage to one of history's most powerful rulers. It is a grand tale of the Henrician court in its twilight, a glittering but pernicious sunset during which the king's unstable behaviour and his courtiers' labyrinthine deceptions proved fatal to many, not just to Catherine Howard. **Young and Damned and Fair** Gareth Russell, 2017-04-04 England July 1540 it is one of the hottest summers on record and the court of Henry VIII is embroiled once again in political scandal. Anne Cleves is out, Thomas Cromwell is to be executed, and in the countryside an aristocratic teenager named Catherine Howard prepares to become fifth wife to the increasingly unpredictable monarch. In the five

centuries since her death Catherine Howard has been dismissed as a wanton inconsequential or a naive victim of her ambitious family but the story of her rise and fall offers not only a terrifying and compelling story of an attractive vivacious young woman thrown onto the shores of history thanks to a king's infatuation but an intense portrait of Tudor monarchy in microcosm how royal favour was won granted exercised displayed celebrated and at last betrayed and lost The story of Catherine Howard is both a very dark fairy tale and a gripping political scandal

Catherine Howard David Loades, 2012-10-15 A full scale biography Henry VIII's fifth wife the teenager who got herself fatally entangled with lovers and ended up with her neck on the block

A Tudor Tragedy Lacey Baldwin Smith, 1961

Katherine Howard Josephine Wilkinson, 2016-04-07 An impressive revisionist biography The Times Looming out of the encroaching darkness of the February evening was London Bridge still ornamented with the severed heads of Thomas Culpeper and Francis Dereham the terrible price they had paid for suspected intimacy with the queen Katherine now reached the Tower of London her final destination Katherine Howard was the fifth wife of Henry VIII and cousin to the executed Anne Boleyn She first came to court as a young girl of fourteen but even prior to that her fate had been sealed and she was doomed to die She was beheaded in 1542 for crimes of adultery and treason in one of the most sensational scandals of the Tudor age The traditional story of Henry VIII's fifth queen dwells on her sexual exploits before she married the king and her execution is seen as her just dessert for having led an abominable life However the true story of Katherine Howard could not be more different Far from being a dark tale of court factionalism and conspiracy Katherine's story is one of child abuse family ambition religious conflict and political and sexual intrigue It is also a tragic love story A bright kind and intelligent young woman Katherine was fond of clothes and dancing yet she also had a strong sense of duty and tried to be a good wife to Henry She handled herself with grace and queenly dignity to the end even as the barge carrying her on her final journey drew up at the Tower of London where she was to be executed for high treason Little more than a child in a man's world she was the tragic victim of those who held positions of authority over her and from whose influence she was never able to escape

She Wolves Elizabeth Norton, 2011-08-26 Some of the queens featured in *She Wolves* are well known and have been the subject of biography Eleanor of Aquitaine Emma of Normandy Isabella of France and Anne Boleyn for example others have

not been written about outside academic journals The appeal of these notorious queens apart from their shared taste for witchcraft murder adultery and incest is that because they were notorious they attracted a great deal of attention during their lifetimes She Wolves reveals much about the role of the medieval queen and the evolution of the role that led ultimately to the reign of Elizabeth I and a new concept of queenship

Katherine Howard Conor Byrne,2014-08-12 In this new full length biography of Katherine Howard Henry VIII s fifth wife Conor Byrne reconsiders Katherine s brief reign and the circumstances of her life stripping away the complex layers of myths and misconceptions to reveal a credible portrait of this tragic queen By reinterpreting her life in the context of cultural customs and expectations surrounding sexuality fertility and family honour Byrne exposes the limitations of conceptualising Katherine as either whore or victim His more rounded view of the circumstances in which she found herself and the expectations of her society allows the historical Katherine to emerge Katherine has long been condemned by historians for being a promiscuous and frivolous consort who partied away her days and revelled in male attention but Byrne s reassessment conveys the mature and thoughtful ways in which Katherine approached her queenship It was a tragedy that her life was controlled by predators seeking to advance themselves at her expense whatever the cost
