

# Compromising with Slavery

- Despite the contradiction slavery posed, Southerners threatened to leave the USA anytime the slave question was discussed
- As a compromise for the South, the slave trade could continue to 1808

*“Great as the evil is, a dismemberment of the Union would be worse.”*

sensibilities that produced the U S Constitution Robertson drawing from the full range of contemporary sources and not just the Papers provides a truly authoritative account of the founders collective political reasoning during the Convention Organized thematically each chapter covers a crucial Constitutional issue the respective roles of the executive the judiciary and the legislature the balance between the federal government and the states slavery and war and peace In virtually every instance the process was decidedly political fractious and piecemeal As much as they wanted to design the government that would best serve their people the Founders struggled to balance their broad ideals with self interested policies and procedures Robertson s boldly revisionist account of the political horse trading that dominated the Convention not only greatly enriches our understanding of the nation s founding it also elucidates why the government they created has proven so difficult to use
