team with one of the most mediocre records in pennant history And why haven't they been back since One thing is clear 1945 the last time the Cubs went to the World Series was a turning point in the team's fortune For in the first half of the twentieth century few teams were as good as Chicago in the second half few teams were as bad Between 1900 and 1945 the Chicago Cubs won the National League pennant ten times and had more first division finishes than any other team in the league and only one last place finish Between 1946 and 1990 the Chicago Cubs finished in the National League basement nine times and went 20 consecutive seasons in the second division between 1947 and 1966 Charles N Billington's fast paced narrative of this historic season includes an inning by inning account of critical games highlights of winning streaks and road trips and a discussion of how and why the team ultimately unravels Incorporating statistical analysis descriptions of key teams and player biographies Billington paints an evolving and exciting portrait of the 1945 Cubs and the wider national baseball scene of a war torn era *The Last Chicago Cubs Dynasty* Hal Bock,2016-04-14 The last time the Chicago Cubs played in the World Series World War II had just ended The last time they won a World Series World War I had not yet begun But from 1906 1910 the Cubs not only played in the World Series four of the five years they won two World Championships as well It was a time when the Cubs ruled baseball and no one could have imagined the roller coaster adventures that were ahead for this grand old franchise In *The Last Chicago Cubs Dynasty Before the Curse* Hal Bock tells the story of this legendary team the characters who were central to its success and the misfortunes which have plagued the team ever since Stars such as pitcher Mordecai Three Finger Brown and the double play combination of Tinker to Evers to Chance are profiled as are opponents who caused the Cubs unending headaches like superstar pitcher Christy Mathewson and immortal shortstop Honus Wagner A chronology and cast of characters set the stage for the reader before Bock delves into the early history of the Cubs and the assembly of what would become a dynasty With talent to spare and just a little bit of luck going their way the Chicago Cubs were unstoppable But when an angry fan issued a curse on the team during the 1945 World Series some believe it marked the beginning of the end for this storied franchise Featuring 100 year old images from historic baseball cards profiles of Hall of Fame legends and a foreword by Cubs supporter and TV star Joe Mantegna *The Last Chicago Cubs Dynasty* will appeal to all baseball fans but especially to those always passionate Cubs enthusiasts from around the nation
