Child His:

My Child, His Child Diane M. Poythress, 2016-10-25 Every Christian mother knows the stress of trying to raise her child for Christ How do the Ten Commandments apply to that child beyond the superficial legalistic disciplines How do they apply to me What does Christ and his sacrifice on the cross have to do with any of these laws If you want to love God more with all of your heart and help your child to do the same this book will help point you in the right direction of Calvary With stories of her own children and from her own life we can identify with the author s journey toward having a godly family dedicated to God Spiritual blessings from God s hand are evidenced and encouraged in these pages
