Americans from a realist's point of view lamenting their exposure to poverty, racism, and violence while celebrating their resilience and cultural achievement. Several years before T. S. Eliot's *The Waste Land* (1922) and William Carlos Williams' *Spring and All* (1923), modernist poet Claude McKay troubles the traditional symbol of springtime to accommodate the hardships of an increasingly industrialized world. In *Spring in New Hampshire*, the poet gives voice to a desperate laborer for whom the beauty and harmony of the season of rebirth are not only sickening but altogether inaccessible. Too green the springing April grass, too blue the silver-speckled sky. For me to linger here, alas, while happy winds go laughing by, wasting the golden hours indoors, washing windows and scrubbing floors. A master of traditional forms, McKay brings his experience as a black man to bear on a poem otherwise dedicated to descriptions of natural beauty, challenging the very tradition, his language, and style. In *The Lynching*, he calls on the reader to witness the brutality of American racism while exposing the complicity of those who would look without feeling. Soon the mixed crowds came to view the ghastly body swaying in the sun. The women thronged to look but never a one showed sorrow in her eyes of steely blue. As children dance around the victim's body, lynchers that were to be, McKay raises a terrible, timeless question: how long will such violence endure? With a beautifully designed cover and professionally typeset manuscript, this edition of Claude McKay's *Spring in New Hampshire and Other Poems* is a classic of Jamaican literature reimagined for modern readers. [Home to Harlem](#)

Claude McKay, 2026-02-25T15:23:43Z. *Home to Harlem*, the first published novel by the Jamaican American writer Claude McKay, follows the life of Jake, an African American longshoreman who enlists with the American Expeditionary Forces during World War I before deserting and returning to Harlem. Upon his return, Jake indulges in all of the sensual pleasures Harlem has to offer, including a series of sexual entanglements. Owing to its sexually explicit depiction of Harlem nightlife, *Home to Harlem* received a polarized reception from other African American authors. Langston Hughes celebrated it as a book which ought to give a second youth to the Negro Vogue, whereas W. E. B. Du Bois declared that after the dirtier parts of its filth, I feel distinctly like taking a bath. It remains a classic novel of the Harlem Renaissance. This book is part of the Standard Ebooks project, which produces free public domain ebooks. **Harlem Shadows**, 1922. *Harlem Shadows*, Claude McKay, 2021-05-28.

Harlem Shadows (1922) is a poetry collection by Claude McKay. Published at the height of the Harlem Renaissance, *Harlem Shadows* earned praise from legendary poet and political activist Max Eastman for its depictions of urban life and the technical mastery of its author. As a committed leftist, McKay, who grew up in Jamaica, captures the life of Harlem from a realist's point of view, lamenting the poverty of its African American community while celebrating their resilience and cultural achievement. In *The White City*, McKay observes New York: its poles and spires and towers, vapor-kissed and fortified port through which the great ships pass, filled him with a hatred of the inhuman scene of industry and power, forced to muse his life-long hate, he observes the transformative quality of focused anger. My being would be a skeleton, a shell. If this dark passion that fills my every mood and makes my heaven in the white world's hell, did not forever feed me vital blood, rather

than fall into despair he channels his hatred into a revolutionary spirit allowing him to stand tall within the mighty city In *The Tropics* in New York he walks past a window filled with Bananas ripe and green and ginger root Cocoa in pods and alligator pears a feast of fresh tropical fruit that brings him back however briefly to his island home of Jamaica Recording his nostalgic response McKay captures his personal experience as an immigrant in America My eyes grew dim and I could no more gaze A wave of longing through my body swept And hungry for the old familiar ways I turned aside and bowed my head and wept With a beautifully designed cover and professionally typeset manuscript this edition of Claude McKay's *Harlem Shadows* is a classic of Jamaican literature reimagined for modern readers
