

A woman and a child are walking on a beach at sunset. The woman is on the left, wearing a white dress with a floral pattern, and the child is on the right, wearing a white dress. They are holding hands and walking towards the water. The sun is low on the horizon, creating a warm, golden glow. The text is overlaid on a semi-transparent white box in the center of the image.

Create in me a clean heart,
O God, and renew a right
spirit within me.

No Regrets Tom Miller,2011-08-10 As we travel this land we plant seeds and make deposits in others Whether intentional or unintentional or whether positive or negative we

all leave something behind for this life or the next These seeds are of our most inner being that impact people we come across on life s journey And just like a seed for a garden where it s planted may determine how or if it grows As Gods most prized work we all have a seed of greatness inside of us It is my endeavor by writing this book to inspire encourage uplift and enlighten as you look into how my life have evolved by the extraordinary events that has taken place in my life My prayer has been for God to bless me to be a blessing to others With this book my prayers have been answered This is the flower in my life and although at time s writing this book has been painful as I recall certain events as we tend to a garden we prune we pick and we prod but when we are done we admire our good work and God s beauty as He has designed It is my duty to write this book and knowing someone will see how I was able to get up from being kicked down and by the grace of God I was able to rise from the ashes and cling to a hope that is sound solid and sure Perhaps someone will be inspired to look deep within and pick up their bed rise up and walk As I look back over where I ve come from I can say without swaying that I truly have No Regrets

Exposing the Secrets of Sin Abozos Abiodun,2019-11-30 It is quite alarming and overwhelming the rate at which many even the so called Christians and non Christians of this generation are wallowing in sin in spite of one s decision to let go of sin In fact all effort of prayer fasting and abstinence to keep away from sin seems not to be working One thing however is that once one fails to understand the nature of sin the working power of sin in one s life it will be very difficult to break from it Hence Exposing the Secrets of Sin is a book that has been written in depth and inspired by the Holy Spirit to expose the secrets of sins and its effects on humans This is because sin has become a yoke sting cankerworm burden and spirit that if one fails to understand its nature activities and effects one might remain in sin forever This book is therefore God s gift to you in all matter relating to sin which has been eating deep into your soul Why not take your time read digest and apply the words of this book to your life and see yourself overcoming the power and spirit of sin in your life Happy reading *The Spirit-filled Life* John MacNeil,1896 *Grieving Hearts in Worship* Michael E.
