Clean Young Englishman:

Clean Young Englishman John M. Gale, 1965 The Theatre of Tom Stoppard Anthony Jenkins, 1989-04-20 Despite their box office success Tom Stoppard's plays have sometimes aroused academic hostility his critics accusing Stoppard of cold intellectualism or frivolous showmanship The purpose of this study is to examine the special problem of Stoppard's use of humor and games in conveying serious ideas As an actor and director Anthony Jenkins is concerned not just with the literary merit of Stoppard's plays but also with the way they are written and shaped by the formal conventions particular to the media of stage radio and television This book studies the stage space of each play as well as the actor's pauses and inner emotions As a lecturer on drama Jenkins follows Stoppard's career chronologically so that the radio and television plays are woven in with and support various claims concerning the major stage works Unlike similar critical analyses of Stoppard's theater this volume discusses all the latest plays including *The Real Thing* *The Dog It Was That Died* and *Squaring the Circle*
