Destination Korea:

The Korean Economy You-il Lee, Richard Lee, 2019-05-01 The Korean Economy From Growth to Maturity takes an in depth amalgamated look at the evolution of Korea s globalization drive from the early 2000s Kim Dae jung regime 1998 2003 to the present period Park Geun hye 2013 2017 The book discusses the role of foreign companies on the sustainability of Korea s economic growth the relationship between the chaebol and the MNCs the evolution of Korea s nation brand and the role of the state in Korea s new economic trajectory globalization since the 2000s With data collected from fieldwork the book provides both empirical and qualitative insights economic socio cultural and political economic analysis into the Korean political economy and would be a very useful reference to other emerging economies experiencing similar globalization paths

Managing Asian Destinations Ying Wang, Aishath Shakeela, Anna Kwek, Catheryn Khoo-Lattimore, 2018-04-05 This book focuses on the planning marketing and management of Asian tourism destinations and evaluates current developments within Southeast Asia and the wider Asia Pacific region As more Asian destinations enter the global tourism arena and more Asian travellers look to explore destinations in Asia and beyond an understanding of how Asian destinations practice tourism is crucial to the future sustainable development of global tourism This book provides an invaluable stock of research and knowledge based on the Asian practice and experience in destination planning marketing and management offering insights into the latest development and trends in the region

Korea Travel News , 1992 [OECD Tourism Trends and Policies 2022](#) OECD, 2022-11-30 Tourism has been hit hard by the depth and duration of the crisis triggered by the COVID 19 pandemic Just as the sector was starting to rebound the economic fallout from Russia s aggression against Ukraine has dealt a fresh blow to recovery prospects The 2022 edition of OECD Tourism Trends and Policies analyses tourism performance and policy trends to support recovery across 50 OECD countries and partner economies

Medical, Dental, and Wellness Tourism Mary Schreiber Swenson, Amit Bansal, 2024-01-09 Medical Dental and Wellness Tourism A Post Pandemic Perspective offers a thorough and informative guide to medical travel and tourism for the treatment of health related issues The book first defines medical dental and wellness tourism and travel for treatment and then goes on to look at the myriad issues involved such as benefits and challenges of travel for treatment how the COVID 19 pandemic has affected the treatment sectors in tourism selecting the right destination and facility ending your life in another country the growing world of birth tourism dental tourism medical travel for second opinions privacy and health data security the importance of post operative care and more The book explores why medical tourism is the answer to our healthcare crisis The patient deserves the right to seek the highest quality of medical dental and wellness care anywhere on the globe with transparent pricing This volume provides an abundance of information necessary for practical solutions to healthcare needs both to avoid the seemingly ever rising cost of healthcare in the United States offering choices and options outside the US as well as for choosing effective care in other countries The volume also addresses advances in technology in the healthcare travel industry

A section on resources and experiences to aid in making the right healthcare decisions is included as well. The chapters answer important questions when considering healthcare outside the US such as: What options and choices are available globally? How to choose the right medical, dental, pharma, or wellness location? The benefits and challenges of travel for treatment? What is involved in euthanasia in other countries? How privacy of healthcare data is maintained? COVID-19 has changed the face of the globe. Patients have a new perspective on how they want to receive health and wellness care, and this includes a deeper dive into the world of medical, dental, and wellness tourism. The future is about customizing how and where the patient wants to receive their medical, dental, and wellness treatments, transparent pricing, and the ability to make choices and view options anywhere in the world. Employers, government agencies, and private organizations are able to control healthcare costs, forecast trends, and allow their employees to get the highest quality of care through specialized Centers of Excellence. The book offers a comprehensive guide to medical, dental, and wellness tourism, explains how technology plays a role, as well as proposes solutions to the current healthcare system. A must-read for anyone interested in the future of our global healthcare system. Written by a renowned international speaker on medical, dental, and wellness tourism and travel for treatment, who has significant experience and advocates for affordable healthcare choices, this volume shares necessary information for those considering healthcare in other countries, those needing care, as well as their healthcare professionals and loved ones.
