Reports of Cases Argued and Determined in the Supreme Court of Alabama Alabama. Supreme Court,1929 **The Appian Way of America** ,1923 **The Science of Behavior and the Image of Man** Carl von Clausewitz,2017-07-05

Does a proper respect for science require psychologists to view man as an impotent reactor whose responses are completely determined by his physical constitution and the forces impinging upon him In this wise and well argued book Isidor Chein invites his readers to lift their eyes from experimental research for a time to consider the relationship between science and the image of man Few psychologists even the most gifted and dedicated among them pause to consider the philosophical underpinnings of their work It is almost as though the humanist secretly lurking in each of them is fearful of the bad news he might finally be forced to accept that man is essentially an exquisitely complicated robot This fear is misplaced and harmful It is largely responsible for the disturbing fact that scientific psychology has produced in Chein s estimate so little that is relevant to the humanities so little as he puts it that has lived up to psychology s promise to itself What must be more widely understood is that it does not follow that behavioral law is reducible to physiological law or that physiological law is reducible to physical law With an uncompromising commitment to scientific method Chein shows that when closely analyzed there is actually no need to assume an unbridgeable gap between scientific psychology and psychoanalytic humanistic psychology This is a lucid and powerful theoretical work of importance for scholars in all fields sharing the belief that the proper study of mankind is man *The Science of Behavior and the Image of Man* is written by the most intellectually stimulating and respected representative of scientific humanistic psychology Robert B Holt Professor of Psychology Graduate School of Arts and Sciences New York University *The District Reports of Cases Decided in All the Judicial Districts of the State of Pennsylvania* Pennsylvania.
