The Business of Race: How to Create and Sustain an Antiracist Workplace—And Why it’s Actually Good for Business

Margaret H. Greenberg, Gina Greenlee, 2021-08-31 This book is not written specifically for White readers Black readers readers who are Latino Asian or other specific racial or ethnic groups If you are a business leader individual contributor Human Resources or DEI Diversity Equity and Inclusion professional educator coach or consultant then The Business of Race is for you In the business world incident driven company position statements on Black Lives Matter or Stop Asian Hate are

not proxies for the heavy lifting that will penetrate and sustain a shift in the status quo Advancing racial equity to disrupt institutional racism requires more than a company wide memo or a tab on a corporate website Businesses often water down negate or skirt this reality by touting successes from its cousin diversity However you cannot advance a strategy you do not name The general term diversity enables that dynamic It s impossible to create an antiracist workplace when we avoid speaking the words race and racism Co authored by two business women one Black and one White The Business of Race can help us all prepare for this transformative work Rather than diving headfirst with well meaning but ineffectual efforts we must first ready our organizations The authors outline both the inner work raising our own individual awareness and creating new ways of thinking and being and the outer work organizations must undertake This includes honest and often uncomfortable discussions And carrying out as core to operational business strategy and performance policies and practices to reimagine a racially equitable workplace Whether you re a rising entrepreneur a supervisor or manager a leader of a large multinational company or a frontline employee you ll find concrete actions in this essential guide Why Racial Diversity Why Now A Competitive Advantage Commitment Specificity and the Science of Small Wins Uncomfortable Truths and Fearless Leaders Look for Talent Where Others Are Not No Secrets in Pay and Promotions Close the Wage Gap Discover Your E and Measure its Impact Woven throughout The Business of Race are interviews with dozens of business professionals across myriad industries fields and organizational levels Their stories bring voice to the challenges and opportunities businesses face every day and provide readers with the courage and tools to openly honestly and effectively address the deeply complex emotional and intimidating dynamic of race and racism in the workplace
