Dragonflyers Christine Velde,2015-08-25 This book explores the lives of prominent expatriates working in varying fields and aims to understand why they were drawn to Indonesia and examines their diverse but valuable contributions to Indonesia and its way of life In doing so it will facilitate a better understanding for readers in the East and the West regarding the contributions of prominent expatriates to Indonesia and their feelings towards a country which in many cases may have become their home Dragonflies which have been described as fantastic flyers darting twisting turning and transforming are just like expatriates who have contributed to Indonesia in a variety of fields Like dragonflies they are also reminders that we can reflect light in powerful ways They contribute to others by helping them to see through their misinterpreted illusions and allowing their own light to shine in a new vision like academics artists writers or entrepreneurs Much of Indonesia outside of Jakarta and other major cities we found incredibly beautiful The greatest attraction of the country was the pleasure of working with Indonesians who accepted me as a colleague rather than a dangerous foreigner who had to be kept at a distance Over time both my wife and myself became greatly attached to Indonesia both personally and professionally Gustav Papanek Living in Indonesia is very different to living in Australia It has changed from the turbulent situation during the 1980s and 1990s and is now much more open and liberal For most foreigners living and working in Indonesia it takes time and effort to develop the skills and understanding that best enable them to operate in Indonesia Personally I have always found most Indonesians very welcoming David Hill I have acquired an enriched understanding of another culture I possess another language and this opens up the mind immeasurably rough speaking the language wI can get much closer to people and be a part of the decision making process I am more relaxed about life in general through my Indonesian experiences David Reeve I can sympathise with the idea of being a global citizen but believe that those with experiences of other cultures must be able to share these experiences and insights with members of their own culture Indonesia gains most value from me not when I think like an Indonesian but when I act like an Australian who knows and respects Indonesian culture and can present different and distinct perspectives on it to Australians and Indonesians alike Harry Aveling Arie Smit memburu cahaya Bali Putu Wirata,2000 Biography and paintings of Arie Smit b 1916 a Dutch born Indonesian painter in Bali *Neka Art Museum* Suteja Neka,2008 **Art and Collecting Art (English Edition)** Oei Hong Djien,2012-09-04 Oei Hong Djien Indonesia s distinguished art collector hailing from Magelang Central Java is also a writer From 1990 to the present day which spans a period of about 20 years he has written numerous pieces on art Most are introductions to exhibition catalogues some are texts for speeches lectures and discussions others are articles that have appeared in the catalogues of auction house magazines and books Arie Smit Arie Smit,1990 **Bali** Arthur
