today Fascinating Chicago Tribune 1968 James C. Nicholson,2019-04-01 Amid anti Vietnam war protests political assassinations and urban unrest the United States had descended into an era of domestic turmoil by the summer of 1968 Americans were split along nearly every imaginable line and discord penetrated all facets of American culture As James Nicholson proves in this thought provoking volume the sports arena was no exception Opening with Vince Lombardi s last win as coach of the Packers in Super Bowl II and closing with Jo Namath s Super Bowl III guarantee 1968 charts a course through the turbulent waters of American sports over a single improbable year Nicholson chronicles and scrutinizes a number of events that reflected and fed the acrimony of that year the Masters golf tournament in which enforcement of an arcane rule cost a foreign player a chance at victory the disqualification of the Kentucky Derby winner for doping Muhammed Ali s appeal of a criminal conviction for draft evasion an unorthodox rendition of the national anthem at the World Series that nearly overshadowed the game it preceded and a silent gesture of protest at the Mexico City Olympics that shocked the nation and world While 1968 was not the first year that sports converged with social and political strife in America echoes of the past in today s culture wars bring a heightened relevance to the events of a half century ago In reading Nicholson s work scholars and sports fans alike will receive an instructive glimpse into the nature of persistent division in the United States as it reflected in our national pastimes

American Maelstrom Michael A. Cohen,2016-04-21 In his presidential inaugural address of January 1965 Lyndon B Johnson offered an uplifting vision for America one that would end poverty and racial injustice Elected in a landslide over the conservative Republican Barry Goldwater and bolstered by the so called liberal consensus economic prosperity and a strong wave of nostalgia for his martyred predecessor John F Kennedy Johnson announced the most ambitious government agenda in decades Three years later everything had changed Johnson s approval ratings had plummeted the liberal consensus was shattered the war in Vietnam splintered the nation and the politics of civil rights had created a fierce white backlash A report from the National Committee for an Effective Congress warned of a national nervous breakdown The election of 1968 was immediately caught up in a swirl of powerful forces and the nine men who sought the nation s highest office that year attempted to ride them to victory or merely survive them On the Democratic side Eugene McCarthy energized the anti war movement George Wallace spoke to the working class white backlash Robert Kennedy took on the mantle of his slain brother Entangled in Vietnam Johnson stunningly opted not to run again scrambling the odds On the Republican side 1968 saw the vindication of Richard Nixon who outhustled Nelson Rockefeller Ronald Reagan and George Romney by navigating between the conservative and moderate wings of the Republican Party The assassinations of the first Martin Luther King Jr and then Kennedy seemed to push the country to the brink of chaos a chaos reflected in the Democratic Convention in Chicago a televised horror show Vice President Hubert Humphrey emerged as the nominee and finally liberating himself from Johnson s grip nearly overcame the lead long enjoyed by Nixon who by exploiting division and channeling the national yearning for order would be the last man standing In American Maelstrom Michael A
