Clean Kill:

A Clean Kill Ted Wood, 2014-04-01 A crime spree ends in murder for Canadian police chief Reid Bennett one of the most interesting series whodunit heroes of the decade Chicago Sun Times There is no rest tonight for Reid Bennett police chief of tiny Murphy's Harbor in Canada Not if he keeps getting phone calls that is The first comes in from Amy Wilson She's been brutally attacked on her arrival home from play rehearsal The second has Reid breaking up a fight at a bar called Murphy's Arms But the third call about a dead body is when things get complicated The body belongs to one of the night's bar brawlers an American tourist now stabbed to death in the road It seems like there is an obvious murder suspect until another body shows up in the lake Are these murders and the attack somehow intertwined Reid must wade carefully through the evidence and the witnesses all the while juggling pressure from a hostile city council and unwelcome reporters Add in the town play bear baiters and American evangelicals and Reid has his hands more than full Thankfully he has got his dog Sam by his side

Kill It & Grill It Ted Nugent, Shemane Nugent, 2005-05-01 Here is the high protein high octane kill stuff add fire and enjoy diet that's kept Ted Nugent and his beautiful wife Shemane fighting fit Ted shares his favourite recipes for such exotic fare as wild boar pheasant buffalo and venison And while he doesn't buy his meat wrapped in plastic there are plenty of recipes to tide you over when the hunting party comes home empty handed This book is essential for the kitchen library

Trained to Kill Theodore Nadelson, 2005-05-18 In two decades of clinical work with Vietnam veterans psychiatrist Theodore Nadelson sought to understand a seeming paradox about his patients even veterans being treated for post traumatic stress disorder often still felt attracted to the danger and violence of combat and killing How this could be possible became a central focus of Nadelson's work and thought as he looked to veterans stories and within himself for pieces of the human puzzle This compelling book is the result of that exploration In it Nadelson confronts a dark side of human psychology with sensitivity and depth revealing startling truths about the allure of violence Among the topics he addresses are the ways in which the concept of war shapes boys lives from an early age what happens when killing becomes a job and how memories of the thrill of combat affect a soldier after the war is over He probes the aftermath of September 11 including the historic implications of women's experience in the military A veteran himself the author weaves together insights from his own clinical and military experience and from the moving narratives of former soldiers with his thoughtful analysis of readings from world literature to answer tough questions What does our attraction to killing mean for the future of war and civilization What implications does it have for the way we understand peacetime violence in our society
