Cleopatra Stacy Schiff, 2010-11-01 The Pulitzer Prize winning biographer brings to life the most intriguing woman in the history of the world Cleopatra the last queen of Egypt Her palace shimmered with onyx garnets and gold but was richer still in political and sexual intrigue Above all else Cleopatra was a shrewd strategist and an ingenious negotiator Though her life spanned fewer than forty years it reshaped the contours of the ancient world She was married twice each time to a brother She waged a brutal civil war against the first when both were teenagers She poisoned the second Ultimately she dispensed with an ambitious sister as well incest and assassination were family specialties Cleopatra appears to have had sex with only two men They happen however to have been Julius Caesar and Mark Antony among the most prominent Romans of the day Both were married to other women Cleopatra had a child with Caesar and after his murder three more with his prot g Already she was the wealthiest ruler in the Mediterranean the relationship with Antony confirmed her status as the most influential woman of the age The two would together attempt to forge a new empire in an alliance that spelled their ends Cleopatra has lodged herself in our imaginations ever since Famous long before she was notorious Cleopatra has gone down in history for all the wrong reasons Shakespeare and Shaw put words in her mouth Michelangelo Tiepolo and Elizabeth Taylor put a face to her name Along the way Cleopatra s supple personality and the drama of her circumstances have been lost In a masterly return to the classical sources Stacy Schiff here boldly separates fact from fiction to rescue the magnetic queen whose death ushered in a new world order Rich in detail epic in scope Schiff s is a luminous deeply original reconstruction of a dazzling life

Famous Affinities of History Lyndon Orr,1912 Of all love stories that are known to human history the love story of Antony and Cleopatra has been for nineteen centuries the most remarkable It has tasked the resources of the plastic and the graphic arts It has been made the theme of poets and of prose narrators It has appeared and reappeared in a thousand forms and it appeals as much to the imagination to day as it did when Antony deserted his almost victorious troops and hastened in a swift galley from Actium in pursuit of Cleopatra The wonder of the story is explained by its extraordinary nature Many men in private life have lost fortune and fame for the love of woman Kings have incurred the odium of their people and have cared nothing for it in comparison with the joys of sense that come from the lingering

caresses and clinging kisses
