Clinical Judgement

Patrick Davey

Clinical Judgement:

Clinical Judgement and Decision Making in Nursing Mooi Standing, 2023-04-05 Clinical judgement and decision making are terms that are frequently used in nursing But what do they mean and how can they be effectively applied in practice In straightforward language this book helps you to develop the necessary skills to make and apply sound clinical decisions It breaks down the factors involved in decision making and shows you how to use evidence critical enquiry and reflection to do so with confidence Key features Each chapter is mapped to the 2018 NMC Standards Thought provoking case studies and scenarios illustrate decision making in practice Activities enable you to practise your skills and build confidence in your ability to make effective decisions **The Clinical Judgement [sic] of the Primary Ambulatory Care Nurse Practitioner and Mental Health Nurse Specialist Students in Cases of Depression** Lezlie Claire Smith, 1982

Clinical Judgement In The Health And Welfare Professions White, Susan, Stancombe, John, 2003-05-01 I recommend this text to anyone who has an abiding interest in not how we should make decisions but how in reality we do Journal of Clinical Nursing How do clinicians use formal knowledge in their practice What other kinds of reasoning are used What is the place of moral judgement in clinical practice In the last decade the problem of clinical judgement has been reduced to the simple question what works However before clinicians can begin to think about what works they must first address more fundamental questions such as what s wrong or what sort of problem is this The complex ways in which professionals negotiate the process of case formulation remain radically under explored in the existing literature This timely book examines this neglected area Drawing on the authors own detailed ethnographic and discourse analytic studies and on developments in social science the book aims to reconstitute clinical judgement and case formulation as both practical moral and rational technical activities By making social scientific work more accessible and meaningful to professionals in practice it develops the case for a more realistic approach to the many reasoning processes involved in clinical judgement Clinical Judgement in the Health and Welfare Professions has been written for educators managers practitioners and advanced students in health and social care It will also appeal to those with an interest in the analysis of institutional discourse and ethnographic research Clinical Judgement and Decision Making Kathryn J. Hannah, 1987 Based on the Proceedings of the 7th International Nursing Essential Decision Making and Clinical Judgement for Nurses E-Book Carl Thompson, Dawn Dowding, 2009-07-17 This book provides the skills and knowledge to use information effectively when exercising professional judgement and clinical decisions By integrating theory with practical examples it provides an overview of the key issues facing nurses in decision making today Review of up to date research into clinical professional judgement and decision making Focus on evidence and skills and knowledge relevant to nursing practice Combines current theory with analysis of applications in practice Learning exercises and self assessment components in each chapter Comprehensive coverage of subject Forensic Psychiatry, Race and Culture Dr Suman Fernando, Suman Fernando, David Ndegwa, Melba

Wilson,2005-08-08 Forensic psychiatry is the discipline which distinguishes the mad from the bad but are its values inherently racist Why are individuals from non Western backgrounds over represented statistically in those diagnosed with schizophrenia and other serious illnesses The authors argue that the values on which psychiatry is based are firmly rooted in ethnocentric Western culture with profound implications for individual diagnosis and systems of care Through detailed exploration of the history of psychiatry current clinical issues and present public policy this powerful book traces the growth of a system in which non conformity to the prevailing cultural norms risks alienation and diagnosis of mental disorder

Clinical Judgement and Decision-Making in Nursing and Inter-Professional Healthcare Mooi

Standing,2010-08-16 Mooi Standing s book provides an excellent application of the principal concepts of Cognitive Continuum Theory her presentation is clear accurate and her inferences show that she has a first rate grasp of the implications of the theory and what it means for the care of patients Her work should stand as a monument to the application of psychological theory to nursing care Professor Emeritus Kenneth R Hammond University of Colorado USA Sound clinical judgement and decision making is vital to delivery of high quality patient centred nursing and interprofessional healthcare This book integrates the theory and practice of decision making to guide and enhance practitioners understanding and clinical expertise Mooi Standing presents relevant contemporary theory and research that relates decision making to Professional identity Organization of healthcare Developing knowledge and skills Selecting and applying the most appropriate intervention in clinical practice Real case studies written by various advanced practitioners demonstrate how to apply theory to practice in reviewing explaining and continually developing clinical judgement and decision making skills A patient s account of care received for a serious illness provides a valuable patient centred insight The author s new reflexive pragmatism model summarizes the key knowledge skills values and processes of clinical judgement and decision making for readers to apply in reviewing and enhancing their own clinical practice Extensive reflective activities and self assessment tools are included throughout the book Clinical Judgement and Decision Making is essential reading for qualified nurses midwives and allied health professionals undertaking CPD modules in judgement and decision making evidence based practice and reflective practice or studying to be advanced practitioners Contributors Kate Dewar Carolyn Jackson Peter Ellis Antonio Sama Roger Goldsmith Elizabeth Duck Douglas MacInnes Susan Plummer Hesham Hassan Michael Standing

Oxford Textbook of Primary Medical Care Roger Jones (Prof.),2005 Elsevier's Case Study Practice Review for the Next Generation NCLEX (NGN) - E-Book Kara Sealock,2025-05-22 Use case studies and practice exams to prepare for the Next Generation NCLEX RN Designed for nursing students Elsevier s Case Study Practice Review for the Next Generation NCLEX NGN provides step by step advice and concrete methods to solving case studies and targeted questions that help you build critical thinking and clinical judgement skills A combined total of 130 stand alone and unfolding case studies are offered in the book and its Evolve website with rationales for correct and incorrect answers the clinical judgement skill being

tested and Elsevier text references for further learning Written by noted educator Kara Sealock this review ensures that you are ready for success on the NGN and in your nursing career Review content reflects the new 2023 Next Generation NCLEX NGN test plan and its emphasis on clinical judgement cognitive skills Case studies for the NGN prepare you for the biggest change to the NCLEX RN test plan to date the addition of questions measuring clinical judgement skills Two in text practice exams include 100 stand alone and unfolding case studies for the NGN giving you plenty of testing practice with critical thinking and clinical judgement skills Case studies on the Evolve website include all case studies from the book in interactive format plus 30 additional case studies creating a virtually unlimited number of practice sessions or tests in Study Mode or Exam Mode In depth rationales are provided for both correct and incorrect answers to each question Answer keys for each practice test

The Effects of Psychiatric Diagnosis on Clinical Judgement Jonnie S. Hyde,1991

Giddens's Concepts for Canadian Nursing Practice - E-Book Debra (Debbie) Sheppard-LeMoine,Lisa-Marie Forcier,2025-09-25 Learn the core concepts of Canadian nursing care and how to apply them to the clinical setting Giddens s Concepts for Canadian Nursing Practice uses a simplified intuitive approach to describe 64 important concepts relating to all areas of nursing practice in a Canadian health care context including Indigenous health racism and gender diversity Integrating the latest Canadian statistics research and cultural considerations this text emphasizes cultural safety interprofessional collaboration and health equity To reinforce understanding this book also makes connections among related concepts and links you to other Elsevier nursing textbooks Exemplars for each concept provide useful examples and models showing how concepts are successfully applied to practice Essential tools and case studies for clinical reasoning in nursing help you confidently prepare for almost any clinical nursing situation
