Building Word Power in Primary Reading Donald DeWitt Durrell, Helen Blair Sullivan, Helen Agnes Murphy, Kathryn M. Junkins, 1941 **Reading Power, Revised & Expanded Edition** Adrienne Gear, 2015-10-06 Ten years ago Reading Power was launched in an elementary school in Vancouver It has since evolved into a recognized approach to comprehension instruction being implemented across Canada in the United States United Kingdom Sweden and China This ground breaking approach showed teachers how to help students think while they read connect question visualize infer and transform Since the publication of the first edition of Reading Power Adrienne Gear has continued to reflect on and refine her ideas about metacognition comprehension instruction and the Reading Power strategies This revised and expanded edition shares these new understandings and offers teachers new ideas new lessons and of course new anchor books to support the Reading Power principles An ideal resource for teachers familiar to this strategic approach to teaching reading or for those looking for new ways to connect thinking with reading Developing Power in Reading Betty D. Roe, Elinor P. Ross, 1989-12-01

Developing Reading Power Jane E Healy, Jane M. Healy, 1998-10-01 *Developing Reading Power: Readability range : 52 to 65 DRP units*, 2001 **The Power of a Rich Reading Classroom** CLPE, 2020-02-06 There is something quite magical about forming a connection to a book the way in which the words on the page can conjure feelings of excitement fun joy laughter or tears channeling the part of our being that fundamentally makes us human The journey that children take as they travel towards becoming a competent and confident reader can be a long winding and complex road This book helps teachers understand how to build a quality reading rich curriculum that supports the needs of all the children in their classroom Starting with a section on choosing texts the book goes on to explore a variety of essential teaching approaches from a read aloud programme to drama and storytelling art and illustration This is a practical resource that provides teachers and schools ideas to support the embedding of text experience and deliver a reading rich curriculum that leads to higher student attainment and working at greater depth *Developing Reading Power* Michael N.
