Reliques of Irish Poetry, Consisting of Heroic Poems, Odes, Elegies and Songs Charlotte Brooke, 1789 **The Irish Poems of J.J. Callanan** Jeremiah Joseph Callanan, 2005 Edited and introduced by Gregory A Schirmer Despite the relatively slender volume of his work and the obscurity that marked his brief life he was known to his friends as the Recluse the Cork poet J J Callanan 1795 1829 has come to be recognised as one of the most significant Irish poets writing before Yeats Inspired equally by English romanticism and Ireland s Gaelic culture and drawing often on the life of Irish speaking

communities in West Cork Callanan's work negotiates with remarkable effect between Ireland's two principal traditions while giving voice to many of the cultural forces that were shaping Irish life in the early years of the nineteenth century Callanan's poetry has been out of print since 1883 The present selection brings together all his poems having to do with Ireland including those for which he is best known his poetic translations from the Irish lyrics such as Gougane Barra and his long autobiographical poem *The Recluse of Inchidony* The poems are fully annotated and original sources for the translations where known are given The introduction provides a detailed account of Callanan's life drawing in part on private letters and diaries as well as a critical assessment of his poetry There is also an extensive bibliography that includes a listing of all critical writings about Callanan
