Adamson, 2006-12-21 Growing out of the teachings of the Báb who introduced the idea of the coming of a great prophet the one promised in the scriptures of all the world's major religions the Bahá'í Faith was founded by Bahá'u'lláh when in 1866 he publicly declared that he was the One the Báb prophesized The 2nd edition of the Historical Dictionary of the Bahá'í Faith presents a general historical overview of both Bábí and Bahá'í religions as well as a theological overview of the Bahá'í Faith from their inception in the mid 19th century to the middle of 2005 It presents biographical details of the Founders and Central Figures along with numerous leaders and pioneers most of the basic principles and precepts as well as aspects of its organization and administration Through the use of photographs a list of acronyms a chronology an introductory essay a bibliography hundreds of cross referenced dictionary entries on nearly every aspect of the religion and appendixes listing the genealogy of the Founders statistical information and lists of apostles disciples Hands of the Cause Knights of Bahá'u'lláh as well as of more than 930 believers who have contributed to its growth and development this book is a fundamental tool for finding information on all things related to the Bahá'í Faith

Baha'u'llah Moojan Momen, 2014-10-01 Worldwide in its membership and increasingly being recognized as the youngest of the world religions the Bahá'í Faith is enjoying rapid expansion In this captivating book Moojan Momen gives a brief survey of the life the works and the teachings of Bahá'u'lláh its founder Covering the resistance he encountered including successive forced exiles and vitriolic opposition this is a carefully constructed account of the eventful life of this influential nineteenth century religious figure Comprehensive and yet concise this is a perfect book for anyone interested in knowing more about the Bahá'í Faith and its founder *The Living Truth of Tahirih Qurratu'l-'Ayn* Starr* Saffa, 2020-08-23 Tahirih Qurratu'l-'Ayn The Divine Female Spirit of the Age dawned upon the Earth in 1844 after thousands of years of rejection She announced that She is the long awaited Mother Source The Trumpet Blast The Word of the Godhead The Most Great Spirit that would bring the Great Reversal in which Humanity would no longer be separated from Source and the meek would inherit the Earth The male dominated Society rejected Her once again and called for Her Death Prior to Her martyrdom She called out You can try and kill Me but you cannot stop the emancipation of Women nor can you kill the Spirit of the Godhead Thus today Her Voice rings out again for those who have an ear Saffa's book reveals a hidden Truth regarding the incarnation of the Godhead on Earth and uncovers the constructed veils obscuring the Truth at the time that the new Spirit was expected by humankind The author spells out the means by which knowledge of the Truth will set humanity on the promised transformational path for which it has long been waiting She rips the veil off the premise by most religions that Messengerhood is only a bonding of a male God with a male Manifestation Ken Haley Hot Springs Arkansas Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research

Libraries,1979 **Baha'i and Globalisation** Annika Hvithamar,Margit Warburg,Morten Warmind,2005-12-01 Globalisation has become a buzzword that typically refers to the intensifying integration of the world economy especially as midwived by technological advances It also implies a growing political and cultural sense that all humanity is globally interdependent There have always been individuals of course who have advocated such awareness one of them being the founder of the Baha i faith who formulated a spiritual equivalent as the religion s central doctrine in the late 19th century Ye are the fruits of one tree and the leaves of one branch Its emphasis on global unification made Baha i an obvious candidate for a case study on new religions and globalisation The chapters in this volume fall into two sections diachronic and synchronic The first part is organised chronologically beginning with the emergence of the globalist tendency in the messianic vision of Babism the precursor to Baha i and concluding with an analytic history of its leaders changing attitudes to international politics The second part considers a variety of global themes in contemporary Baha i practice including global thought in Baha i writings the impact of the internet and the triumphalist and secular strains in Baha i identity Though five million members make it one of the world s most successful new religions Baha i has attracted little scholarly attention Most of the academics concentrating on Baha i have contributed to this volume which will appeal not only to students of modern religious movements but to anyone interested in the ways religions can adapt to and embrace the modern world *Paradise and Paradigm* Christopher Buck,1999-01-01 Comparing paradise imagery in two Persian religions early Syriac Christianity and the Baha i Faith this work contributes to religious studies methodology by introducing symbolic paradigm analysis *A Concise Encyclopedia of the Baha'i Faith* Peter Smith,2013-10-01 Written by a well known author in the field of Baha i studies this is a comprehensive and accessible encyclopedia to the youngest of the world religions Regarded as the second most widespread faith after Christianity with adherents in almost every country around the globe the Baha i faith is nevertheless unfamiliar to many here Dr Smith traces the origins and development of the religion from 19th century Iran to the modern day introducing its central figures and major historical events combining breadth with a readable yet concise style he provides a balanced overview of Baha i scriptures doctrines and practices social teachings and organization This reference work presents a clear and knowledgeable view of a fascinating new religion CHAMBERS'S ENCYCLOPAEDIA: A DICTIONARY OF UNIVERSAL KNOWLEDGE FOR THE PEOPLE.
