

TECHNICAL REPORT SAMPLE

In this report, the ELIR team delivers a threshold judgement on the current and likely future effectiveness of the institution's arrangements for managing academic standards and enhancing the quality of the student learning experience.

The threshold judgement can be found on page [x], followed by the detailed findings of the review given in numbered paragraphs.

Technical Reports set out the ELIR team's view under each of the report headings. Shorter Outcome Reports are provided that set out the main findings of the ELIR for a wider audience. The Outcome Report [MAP to insert link] for this review is on the QAA website.⁴

ELIR Technical Reports are intended primarily for the institution reviewed, and to provide an information base for the production of thematic reports that identify findings across several institution

Threshold judgement about the Royal Conservatoire of Scotland

The Royal Conservatoire of Scotland has **effective** arrangements for managing academic standards and the student learning experience.

This is a positive judgement, which means that the Conservatoire meets sector expectations in securing the academic standards of its awards and enhancing the quality of the student learning experience it provides, currently and into the future. This judgement confirms there can be public confidence in the Conservatoire's awards and in the quality of the learning experience it provides for its students.
