

# Reading Strategy Goals

Possible goal:	When to choose this goal:
Stop to visualize (picture) what is happening in the story	My book doesn't have many pictures and I want to imagine what is happening in my mind.
Write down a few questions before I start reading and then answer my questions at the end of my reading time	I have a hard time remembering what happens in my story. If I ask questions, it will help me stay focused on finding the answers as I read.
Stop at the end of a chapter, or section, in my story to summarize what is going on.	I get to the end of my chapter or section and can't remember the details of the story.
Go back and reread when I don't understand what is going on in the story	When I get to the end of my reading time, I can't remember what I read.
Learn new and interesting words from the books I read	I keep coming across new and interesting words and I don't know what they mean.
Take a picture walk, or preview the chapter titles before reading	I want to get my mind thinking and predicting about what I will read.
Use word-attack strategies like reread, chunking, using meaning clues, reading on, or connecting to words I already know.	My reading pace is slow because I have to stop to figure out a word often. This makes my reading choppy.
