Basic Reading Power 1

Basic Reading Power 1 is a new and updated edition of the successful student-centered reading skills textbook Basic Reading Power. Its unique structure, featuring four parts to be used concurrently, allows beginning-level students (with a 300-word vocabulary) to develop the multiple skills and strategies involved in the reading process.

Overview

Extensive Reading helps students to build reading fluency, broaden knowledge of vocabulary and collocation, and gain confidence.

Vocabulary Building offers strategies for independent vocabulary learning such as dictionary work, guessing meaning from context, and learning how words work in sentences.

Comprehension Skills teaches reading skills such as recognizing words and phrases, scanning for information, and making inferences.

Thinking Skills provides practice in recognizing sentence structure and following the logic of ideas.

New to the Third Edition

- An updated Extensive Reading section with new fables and stories, more activities for evaluating student progress, and a revised suggested reading list
- Enhanced vocabulary features including new "Focus on Vocabulary" exercises and an expanded Vocabulary Building section
