revival So says Pat Summitt the legendary coach whose Tennessee Lady Vols entered the 1997 98 season aiming for an almost unprecedented three peat of NCAA championships Raise the Roof takes you right inside the locker room of her amazing team whose inspired mixture of gifted freshmen and seasoned stars produced a standard of play that would change the game of women s basketball forever The 1997 98 season started innocently enough One Saturday in August four young freshmen Semeka Randall Tamika Catchings Ace Clement and Teresa Geter arrived on the Tennessee campus to begin their college careers Welcoming them were a number of players from the previous year including Chamique Holdsclaw and Kellie Jolly But that night in a sign of things to come a simple pickup game turned into an amazing display of basketball brilliance freshmen against established players and with barely a shot missed by either side Suddenly Pat Summitt glimpsed the future fast aggressive and hugely talented This might be the team she d worked her whole career to coach As the season got under way other dramas unfolded After one emotional team meeting Summitt realized that many on the team were playing for something more than just the glory of the game all four freshmen for example came from single parent homes and the tough circumstances of the majority of the other players seemed to add an extra edge to their desire to win it all Further Chamique Holdsclaw widely regarded as the greatest female player ever was being dogged by questions about turning pro and she seemed reluctant to rule it out Meanwhile another member of the team began to notice the unwelcome attentions of a fan who soon turned out to be a full fledged stalker All this was behind the scenes out on the court the win column was swelling with every game 8 0 15 0 21 0 As 1997 turned into 1998 Pat Summitt began privately to admit that this team had changed her these kids were so lovable funny and eager to please that she simply had to let them into her heart Along the way the Lady Vols were redefining what women were capable of trading in old definitions of femininity for new ones in short they were keeping score And by the time they entered the NCAA Final Four tournament in Kansas City Summitt found herself believing the impossible despite all the distractions the 1997 98 Lady Vols could go undefeated and in doing so raise the roof off the sport of women s basketball Packed with the excitement of a season on the brink of perfection and filled with the comedy and tragedy of one year in the life of a basketball team Raise the Roof will have readers cheering from the bench for a team of all conquering players and their astonishing coach **Smokey** Thomas J. Mattingly, Earl C. Hudson, 2025-10-22

The band blares Rocky Top and the crowd roars as the University of Tennessee football team storms out of the tunnel and onto the field through the giant T their beloved mascot Smokey leading the way The iconic Bluetick Coonhound has been part of the pageantry and tradition at the University of Tennessee since 1953 delighting fans both young and old For this entertaining and enlightening book UT sports historian Thomas J Mattingly has teamed up with longtime Smokey owner Earl C Hudson to tell the stories of the nine hounds that have been top dog on campus for more than half a century It was the Rev Bill Brooks Hudson s brother in law whose prize winning dog Brooks Blue Smokey became the first mascot by winning a student body led contest at a home football game in 1953 The Coonhound breed was selected because it was native to the

state and several no one remembers exactly how many were brought onto the field at halftime to compete But Smokey stole the show when he threw back his head and howled The crowd cheered and Smokey howled again The raucous applause and barking built to a frenzy The enthusiastic hound won the hearts of the Volunteer faithful that day and he and the dogs that followed have remained among the University of Tennessee s most popular symbols ever since The authors have interviewed Smokey s former handlers university archivists sports journalists and local historians as well as legions of longtime fans Their recollections provide not only the background of the mascot but a history of UT athletics as well Vol fans will enjoy reading about Smokey s adventures throughout the years from his kidnapping in 1955 by mischievous Kentucky students to his confrontation with the Baylor Bear at the 1957 Sugar Bowl to the time he suffered heat exhaustion at the 1991 UCLA game and was listed on the Vols injury report until his return later in the season Filled with photographs and memorabilia including vintage game programs football schedules letters cartoons and more this book brings to life the magic of UT football and the endearing canines that have become such an indispensable part of the experience

The Winning Tradition Bert Nelli, Steve Nelli, 2021-11-21 In its 95 year history the Kentucky Wildcats have won more games than any other college basketball team Their winning percentage is the highest in the country They share the record for the most 20 win seasons They are second in all time number one rankings And despite no longer holding the record for winningest coach Adolph Rupp will always be a giant in the pantheon of college basketball When The Winning Tradition first appeared in 1984 it was the first complete history of the Wildcat basketball program Bert Nelli pointed out that contrary to the accepted mythology Adolph Rupp arrived at a program already strong and storied Nor did Rupp bring an entirely new style of play to the Bluegrass Instead he adopted and perfected that of his predecessor John Mauer What Rupp did bring was an ability to charm the news media and a fierce determination to turn out winning teams making him the undisputed Baron of Basketball This new and expanded edition of The Winning Tradition brings the history of Kentucky basketball up to date Nelli and his son Steve turn the same unflinching gaze that characterized the honesty of the first edition on the scandals that marred Eddie Sutton s tenure the return to glory under Rick Pitino and a full accounting of Tubby Smith s history making first year The start of basketball season is welcomed in the Bluegrass with an unmatched enthusiasm and intensity Each year brings a new team new stars and new glory Other books have documented individual seasons individual players or individual coaches But The Winning Tradition remains the only complete and authoritative history of the most celebrated college basketball program in the world A book no fan can afford to be without The Winning Tradition brings alive the agonies frustrations and glories of each season of Kentucky basketball from the first team fielded by women to the surprising victory in the 1998 NCAA tournament

Since the beginning of her career as Lady Vol head coach at twenty-two years old, Pat Head Summitt effectively established the University of Tennessee Lady Vols as the top women's athletics program in the nation. The winningest coach in the history of NCAA basketball, Summitt overcame one obstacle after another on the road to every victory, but it is the lives she has impacted along the way that tell the story of her true legacy. Forever a role model for young women expecting nothing but the best from her players and from those around her, her legacy has never faltered, not even during her final season as head coach when she faced her fiercest adversary yet: the diagnosis of early-onset Alzheimer's disease.
