

A Minecraft-style orbital strike cannon, constructed from dark grey and black blocks with glowing cyan accents, is positioned on a dark, multi-tiered base. The cannon's barrel is composed of several parallel cyan tubes, and a bright red laser beam is being fired from its tip. The scene is set against a sunset sky with orange and blue hues, and a cityscape with various buildings and structures is visible in the background. The overall aesthetic is that of a custom Minecraft build.
