

COPY CATALOGING

- Copy cataloging refers to cataloging done using cataloging from an outside source.
- Most copy cataloging is based on Library of Congress or member libraries' copy available from bibliographic utilities such as OCLC, RLIN and WLN
- The local library just need to search for the bibliographic record and adopt the existing cataloging information
- Although some libraries adopt cataloging information for local use without change, other may make minor changes or modification to suit their local needs
- It saves personnel, time, money and speedier service while maintaining high quality
