Andrews,2012-08-05 Hundreds of millions of Christians around the world lack the basic knowledge of the Bible s teachings Moreover they are therefore unable to take advantage of the full happiness of partaking in joint worship of God they need to have their powers of discernment trained by constant practice to distinguish good from evil they need to leave the elementary doctrine of Christ and move on to maturity This book has been penned for that very purpose to help all Christians to increase and expand their understanding of God s Word and to apply it more fully in their lives In the Bible you can interact with a living God who wants a personal relationship with you And in Applying God s Word More Fully In Your Life you will learn how to engage His words like never before Applying God s Word More Fully In Your Life creates the opportunity to grow in faith and knowledge through practical chapters that will help you grow in the faith overcome the difficulties that Satan s world will throw at you and maintain your relationship with the one and only true God You will learn to observe understand and apply the Bible to transform your life Help yourself your family and friends as well as your brothers and sisters around the world by sharing a link to Applying God s Word More Fully In Your Life with them Stacey Roberts I am so grateful to have had a chance to preview this book before it was published because it has truly helped me to appreciate the Bible far more than ever before in my life I have never seen so many Scriptures used in any Christian publication The beauty is that they are quoted right there in the book Truly this book will be helpful to all who want to discern the intentions of their heart It will move everyone to an active faith and help them to see the significance of their relationship with God in their words in their actions where they fall short and especially in their heart attitude In a word this is the best book on Christian life that I have ever read and the information is already helping me to progress toward being a better Christian Words fail me in my effort to tell you how much I appreciate having had a chance to preview this book Review from a reader Brenda Kinsey This book has taught me so much which has given me guidance that is really encouraging It has categorically given me a longing for more spiritual knowledge Review from a reader Richard Martin
