children's actual language samples to illustrate ways literature can enhance the development of language arts skills. Written by an award-winning author, the book focuses on material that embraces the needs of all learners: linguistically different children, multicultural children, and children with learning disabilities and handicaps. Emphasizing the importance of literature-based strategies and the identification of literature that can be applied to each of the language arts, it offers For Your Plan Book a special section at the end of most chapters which provides concrete ideas, field-tested lessons, and unit plans teachers can take right into their classroom. Literature chapters are now moved to the forefront of the book, enabling instructors to place a greater emphasis on literature-related language arts. Strong methodologies in the composition chapters now encompass the writing process plus results of a five-year composition study of the relationships between writing and literature.
