Joyce / Shakespeare Laura Pelaschiar,2015-06-09 Shakespeare s presence in Joyce s work is tentacular extending throughout his career on many different levels cultural structural lexical and psychological yet a surprisingly long time has passed since the last monograph on this literary nexus was published Joyce Shakespeare brings together fresh work by internationally recognized Joyce scholars on these two icons reinvigorating our understanding of Joyce at play with the Bard One way these essays revitalize the discussion is by moving well beyond the traditional Joycean challenge of thinking Shakespearean by thinking Hamletian redefining the field to include works like Troilus and Cressida Othello and The Tempest This collection also transforms our understanding of how Hamlet works in and for Joyce In compelling essays that introduce new variables to the equation such as Trieste Goethe and Futurism Hamlet s role in Joyce gains fresh mobility The Danish prince s shadow we learn can still cast itself in unpredictable shapes making Joyce Shakespeare as rewarding in its analyses of this well studied pairing as it is when it considers fresh Shakespearean matches **Shakespeare's Wife**

Germaine Greer,2009-02-24 A New York Times Book Review Notable Book of the Year A polemical ground breaking study of Elizabethan England that reclaims Ann Hathaway s rightful place in history Little is known about the wife of the world s most famous playwright a great deal none of it complimentary has been assumed The omission of her name from Shakespeare s will has been interpreted as evidence that she was nothing more than an unfortunate mistake from which Shakespeare did well to distance himself Yet Shakespeare is above all the poet of marriage Before him there were few comedies or tragedies about wooing or wedding And yet he explored the sacrament in all its aspects spiritual psychological sexual sociological and was the creator of some of the most tenacious and intelligent heroines in English literature Is it possible therefore that Ann who has been mocked and vilified by scholars for centuries was the inspiration Until now there has been no serious critical scholarship devoted to the life and career of the farmer s daughter who married England s greatest poet Part biography part history Shakespeare s Wife is a fascinating reconstruction of Ann s life and an illuminating look at the daily lives of Elizabethan women from their working routines to the rituals of courtship and the minutiae of married life In this thoroughly researched and controversial book Greer steps off the well trodden paths of orthodoxy asks new questions and begins to right the wrongs done to Ann Shakespeare *The religion of Shakespeare, chiefly from the writings of R. Simpson* Henry George Sebastian Bowden,1899 **A life of William Shakespeare** Sidney Lee,1898 Shakespeare's Literary Lives Paul

Franssen,2016-01-21 In this book Franssen investigates the use of Shakespeare as a fictional character in different literary genres periods and cultures *Shakespeare's Companies* Terence Schoone-Jongen,2008 Focusing on the often neglected 1580s and 1590s this study considers the plausibility of various biographers claims about Shakespeare s involvement with different London acting companies It considers 11 different acting companies with six chapters on their activities the arguments for Shakespeare s involvement in them The Battle Over Shakespeare's Identity Geir Uthaug,2026-02-04 How can anyone doubt that the world s greatest playwright wrote the plays attributed to him William Shakespeare s name is found on the title pages in appraisals and on his monumental tomb Nonetheless doubt has been cast on the Bard s authorship Running the risk of branding as enthusiasts and worse these skeptics tirelessly promote their cause The battle over Shakespeare s identity has a long history especially since we know little about the historic playwright As knowledge about Shakespeare grows it would be logical to assume that skepticism would fade but this has not proven to be the case Skeptics are of the opinion that a worldview as advanced as that reflected in the plays matches poorly what documentation shows about the alleged author This book covers the long history of this contentious debate and opens the possibility for re evaluating the conversation **A Life of William Shakespeare** Sir Sidney Lee,1898 *Shakespeare's Works* William Shakespeare,1872 The Works of William Shakespeare William Shakespeare,1876 Shakespeare's Marriage, His Departure from Stratford and Other Incidents in His Life Joseph William Gray,1905 **Shakespeare on the Stage: Twelfth night** William Winter,1915 Includes comments on several of Shakespeare s plays Explains how those plays have been represented and describes some of the actors who have been eminent in their performances in the plays

Shakespeare on the Stage. 2d Series William Winter,1915 **Retrovisions** Deborah Cartmell,I. Q. Hunter,Imelda Whelehan,2001-09-20 The contributors to Retrovisions consider what happens to history in the movies Focusing on films and texts from the 1950s to the 1990s the contributors argue that the past has always come to us by way of previous texts and culturally bounded aesthetic categories and that history films to the despair of historians have always taken a postmodern approach to their subject seeing the past as a dynamic resource for exciting stories and poetic morally uplifting untruths Why do certain decades appeal at certain times And what does the renewal of interest in narrative history reveal about our culture at the start of the new millennium The authors address the variety of ways in which history can be used refashioned and made over to reflect current concerns and how history films from the past can be reinterrogated to learn what they tell us about their own times The films discussed include Elizabeth Shakespeare in Love Culloden The Avengers Titus and several adaptations of Les Liaisons Dangereuses including Cruel Intentions Shakespeare's life and work, an abridgment of A life of William Shakespeare Sir Sidney Lee,1900 **Outlines of the Life of Shakespeare** James Orchard Halliwell-Phillipps,1886
