Alien Dust:

Alien Dust E. C. Tubb, 1955 *Aliens: Dust to Dust* Gabriel Hardman, 2019-05-14 A terrifying coming of age story by master storyteller Gabriel Hardman A mother and son bound by a shared terror separated by an implacable alien force A spaceship that should carry them away from the fear becomes a deathtrap from which escape seems impossible The Trono colony on LV 871 is under attack Emergency evacuations are ordered Twelve year old Maxon and his mom face the most terrifying creatures in the galaxy Aliens **Aliens** Gabriel Hardman, 2018 *Down to Earth* Louis Charbonneau, 2013-10-07 Vengeance knows no bounds Emergency Landing Station No 17 light years away from our solar system has rarely been used since the Space Corps developed bigger and better ships that can bypass the planetoid as they head into deep space Yet all the E L S s including No 17 are still manned by intrepid volunteers from an overpopulated Earth Dave Perry and his family are drawing to the end of a three year assignment on E L S 17 Their time at the station passed relatively uneventfully the simulated weather and high tech holograms mimic Earth well enough that it s easy to forget it s all an illusion Until the incidents begin flawless machines start to malfunction anomalies appear in the holograms foreign bodies materialize within the airtight walls of the space station s dome At first Dave tries to convince himself that it is mere coincidence or that the years of isolation have induced a kind of mass hysteria around unconnected events But then the incidents increase in ferocity and communication with Earth is cut off It becomes clear a vicious saboteur walks among them Millions of miles from aid Dave will need to rely on raw instinct to outsmart the sadist stalking his family **Vanished Reality and Other Poems** Tapeshwar Prasad, 2018-04-23 The anthology *Vanished Reality and Other Poems* is startlingly artistic in emotional endowments poetic materials in style and ability and in structure and texture to reveal innate literary distinction and touch the heart of the readers for a perspective view of life through poetry The poet possesses the perfect instrumenthis virtuoso language His poetry bears on existential gravitas The author seems to dovetail his subtle objective ethical ideas and thoughts in his heartfull subjective feelings and emotions and he presents them on a pheromonous platter of perfumed and glittering potentialities Intertwined with the words are cosmic truths The meanings are besides the words and behind the lines and under the slippers An enchanting illusion and delusion hallucinates the reader and keeps him mesmerized albeit saner and wiser Simple and concrete thoughts and ideas interlaced and intertwined with deep philosophical certitude keep the readers entangled and enthralled bound with amazement with the tapestry of playing existentialism and haunting individualism Verse with verve The ideas that the words and the poems convey are sacrosanct as they are both jettisoned felt and followed Only with regret could a genuine reader and connoisseur pass but casually over such a rare and unique vibrating book and literary bonanza **Forget English!** Aamir R. Mufti, 2016-02-16 A Choice Outstanding Academic Title of the Year The idea of world literature has garnered much attention recently as a discipline that promises to move humanistic study beyond postcolonial theory and antiquated paradigms of national literary traditions In *Forget English* Aamir Mufti scrutinizes the claims made on

behalf of world literature by its advocates The notion of a borderless egalitarian global literature has obvious appeal he notes but behind it lurks the continuing dominance of English as a literary language and a cultural system of international reach Mufti s historical perspective and insightful analyses of India s anglophone novel generate constant echoes with the realities of anglophone writings in other cultures Eva Shan Chou Times Higher Education Mufti s book is in one sense a quarrel with Salman Rushdie s overly enthusiastic celebration of English language postcolonial South Asian literature but more important the book extends qualifies and enriches Edward Said s work on Orientalism demonstrating that despite its promise world literature does not eliminate the dominant role of the Anglophone book market in shaping South Asian literature Mufti s book is both accessible and theoretically informed K T I lyan Choice **Science Fiction and Fantasy Literature, Vol 1 R.**
