history with a unique focus on the life ministry death resurrection and ascension of Jesus Christ The story of the events leading to that focus has been recorded for us in the Hebrew Scriptures and the story of God s revelation continues to be spread through the New Testament church The church is sustained by the Holy Spirit through worship and prayer Believers live in a context of faith love and hope Their mission is to serve others and to share with the world God s message of creation and fall judgment and redemption Christianity s understanding of the universe and life and law within it is unique comprehensive and coherent In every age the Christian worldview confronts a competing worldview which wrests authority from God and claims autonomy for humanity itself At this time and place the world on its own opposes the Christian worldview in many ways These ways include matters of authority truth rights sex social justice the relationship between religion and politics and society s dependence on three basic independent institutions the family a religious institution and a civic one This primer seeks to make the believer aware of these relationships and the differences between Christianity s understandings of them and those of the world It ends on a note of hope remembering the words of our Lord Be of good cheer for I have overcome the world
