Alien Contact:

Alien Contact Bonnie Meyer,2006-02 This is the true story of over thirty years of UFO and alien contact I became involved because I was going to prove that UFOs did not exist This started me on my long journey of finding out what the truth is But then I had contact with the aliens and once it began I balked and questioned everything that they were trying to tell me It did not take me long to realize I had to live a dual existence as I struggled to keep from looking like a nut case For me this is a frustrating journey and yet rewarding I knew the road would be difficult and that there would be ridicule but I keep steadily moving forward Included in the book are discussions with the aliens Some of the topics covered are 1 UFOs and the aliens who are piloting them 2 Where the aliens come from 3 How long the aliens have been visiting Earth and why they are here 4 There are two factions of aliens here at this time 5 Why some of the aliens are abducting 6 The aliens take on our Bible Jesus and The Creator of all 7 The coming earth changes and what it means 8 What the aliens have said about meditation addictions love marriage reincarnation and the soul
