An Alien's "History" of America* Martha Banta, 2016 Martha Banta s Henry James An Alien s History of America is the product of a lifetime of thinking about James and his odd but oddly productive relation to the land of his birth A biography of an autobiography it serves as a peripatetic history of the central cross currents and intersections between Europe and America memory and history romance and realism These diverse elements structure James s channeling of his own experience as a displaced or alienated American into a variety of genres memoirs and travel writing novels and tales letters and literary criticism social and cultural commentary Together they constitute the never completed novel of his ongoing autobiographical project In its masterful weaving together of materials text and time frames Henry James An Alien s History of America moves fluidly back and forth over the intricate tapestry of James s life and texts It identifies and analyzes key moments words and tropes that echo across the years tracing the instances of repetition reversal self revelation and revision that underwrite this life record This study represents a major advance over conventional sometimes oversimplified readings of James s international theme His attitudes about both Europe and America emerge here in their full complexity and contradictoriness The breadth and depth of Banta s knowledge of James and of the historical America from which he emerged and which he never ceased to engage however ambivalently will make this a rich reading experience for general readers as well as scholars David McWhirter editor of Henry James s New York Edition *The Construction of Authorship and Henry James in Context* *A Walk in Alien Corn* Lar Redmond, 1990 **The Alien Corn** Charles A. Clay, 2000 *Is It True?* Max Cryer, 2014-03-01 We can all remember the stories we were told as children Santa Claus lives at the North Pole St Bernard dogs carry brandy to help lost climbers Lady Godiva rode naked through Coventry They were great stories and we believed them But are they true Max Cryer sets out to investigate the truth or otherwise of ideas and beliefs we may have

always been told are true but which on closer examination may not be For example Did Winston Churchill coin the term Iron Curtain OK is an American expression right Tulips come from Holland don t they Did Sarah Palin say I can see Russia from my house The subjects covered in this highly entertaining book are diverse ranging from politics science and social history to language music and the natural world Max Cryer approaches each with an open mind seeking to uncover the truth behind some of our most cherished beliefs Be prepared for surprises Richard Wright Toru Kiuchi,Yoshinobu Hakutani,2013-12-07 In this minutely detailed comprehensive chronology Toru Kiuchi and Yoshinobu Hakutani document the life in letters of the greatest African American writer of the twentieth century The author of Black Boy and Native Son among other works Wright wrote unflinchingly about the black experience in the United States where his books still influence discussions of race and social justice Entries are documented by Wright s journals articles and other works published and unpublished as well as his letters to and from friends associates writers and public figures Part One covers Wright s life through the year 1946 the period in which he published his best known work Part Two covers the final fifteen years of his life in exile a prolific period in which he wrote two novels four works of nonfiction and four thousand haiku Each part begins with a historical and critical introduction **In the Alien Corn** David Keeling,1977 **The Sneeze** Anton Chekhov,2015-06-03 Comprising four one act comic vaudevilles and four short stories adapted for the stage by Michael Frayn The Sneeze introduces readers to a less familiar selection of work by one of the greatest precursors of modern drama First published in 1989 this reissue includes The Sneeze The Alien Corn The Bear The Evils of Tobacco The Inspector General Swan Song The Prospect and Plots Michael Frayns translations of Chekhovs work marry the expertise of the translator with the innate understanding of a master dramatist and are widely regarded as the truest most authentic renderings of Chekhovs work His keen imaginative sympathy with the great Russian dramatist extends beyond translation But translation is an art at which he excels Spectator **The Ballad of John Latouche : an American Lyricist's Life and Work** Howard Pollack,2017 In his short life the Virginia born John Treville Latouche 1914 56 made a profound mark on America s musical theater as a lyricist book writer and librettist His signature achievements include theatrical works with composers Earl Robinson Vernon Duke Duke Ellington Jerome Moross and Leonard Bernstein
