Dickson, 2014-01-02 Quarantine Ever since Earth's first starship crept out on sublight drive a hundred years ago and was met by an emissary of the Galactic Federation man has lived as a prisoner in the solar system The Federation decreed that unless man could demonstrate his technological maturity and leave the solar system via a faster than light drive he would not leave it at all All Earth knows the test that man must pass to win Galactic Citizenship and the freedom of the stars the FTL drive is every physicist's top priority But what they cannot know is that they work against both an alien time limit and human sabotage and time is running out Unless John Parent's star drive project is successful mankind will remain trapped in the solar system forever [Alien Art and Arcturus Landing](#) Gordon R. about another one of my stories Abducted In my reading I found this quote from Bob Lazar a former Government Scientist who worked at S4 near area 51 in southern Nevada Obviously the ET craft do exist something had to build them So their must be aliens and since there are and the craft are there There must be some sort of factory and an entire civilization somewhere and if in fact that is true and it apparently is then there must be others Bob Lazar Former Government Scientist One of the greatest fears faced by any parent is the fear of one of their children being abducted Imagine that your child has been abducted and you are an eye witness to a strange craft lifting off the ground with your child inside it goes straight up disappearing into the star studded night sky You call for help you tell the truth but no one believes you You are accused of killing your child you go to jail lose your job your spouse divorces you and you go to court for murder You are acquitted through strange circumstances In order to retrieve your child from among the stars and to clear your name your only hope is to do what cant be done at a place that doesnt exist You must steal an alien ship you know is held on a secret military base in the deserts of Southern Nevada Once you acquire the ship before you can go after your child you must out smart an ultra secret government organization that is determined to stop you After you step off the planet in search of your child among the stars you encounter a race of cold blooded hateful reptilian aliens that consider you and your child to be animals to be experimented on or a source of food This book is available in bookstores everywhere and on the internet You can get an autographed copy or the E book from my Website at orlojamesgoodson.com I also have other products available Enjoy the read
