greatest lyric poet of the 20th Century This authoritative biography is based on a wealth of previously unpublished material including 2 poems gathered by the author in more than 200 interviews and extensive research in the UK USA With 25 b w illustrations

**Dylan Thomas** Paul Ferris,1977 Biography of the Welshman who was one of the greatest poets of the twentieth century **The Love Letters of Dylan Thomas** Dylan Thomas,2001 Like most great letter writers Thomas had the gift of writing as if his correspondent stood in front of him Sensual and earthy like so much of his poetry his letters were all designed to secure Thomas s place in his lover s heart and memory the purpose of all true love letters BOOK JACKET

**The Collected Letters of Dylan Thomas** Dylan Thomas,1985 Dylan Thomas s letters bring the poet and his times to life in a way that almost no biography can First published by J M Dent in 1985 Thomas s Collected Letters received exceptional reviews both for the scholarship of the editor and for the quality of the collection This new edition will bring the letters back into print at a time when interest is renewed in the life of this exceptional writer The letters begin in the poet s schooldays and end just before his death in New York at the age of 39 In between he loved wrote drank begged and borrowed his way through a flamboyant life He was an enthusiastic critic of other writers work and the letters are full of his thoughts on his own work and on his friends as well as unguarded and certainly unpolitical comments on the work of his contemporaries T S Eliot W H Auden and Stephen Spender among others Spender should be kicked Day Lewis hissed in public and have his balls beaten with a toffee hammer More than a hundred new letters have been added since Paul Ferris edited the first edition of the Collected Letters in 1985 They cast Thomas s adolescence in Swansea and his love affair with Caitlin into sharper focus Thomas s letters tell a remarkable story each letter taking the reader a little further along the path of the poet s self destruction but written with such verve and lyricism that somehow the reader s sympathies never quite abandon him **My**
