A Wartime Log:

A Wartime Log Jocelyn Tochor,2013-01-15 A Wartime Log was written to document the journey of my grandfather William Leslie Kell 1916 2016 throughout his time as an Officer with the Royal Canadian Air Force and then a Prisoner of War in WWII He remained a POW for 3 years after his aircraft was shot down in the North Sea and was taken to Stalag Luft 3 in Poland the setting for the Great Escape where he became a digger in the tunnels The reflection was written in his own words and brought to life through the use of photos clips from his wartime journal and personal experiences [A Wartime Log](#) Art Beltrone, Lee Beltrone,1994 Excerpts and artwork from log books belonging to Americans in German prison camps

sea the boy and his fellow POWs are transported to occupied France and confined in Drancy a concentration camp notorious for its inhumane conditions There they endure torture starvation and the constant fear of being sent to Auschwitz Drancy is a place of horror where the screams of tortured men women and children fill the night After six agonizing months the boy is transferred to various German POW camps where he continues to struggle for survival amidst gruelling conditions and dangerous escape attempts He remains a POW until six months after the war s end finally returning to a world that has drastically changed Post War Injustice Forty years after the war Germany established a compensation fund for those who suffered in the Drancy Concentration Camp France However when a British MP seeks to secure the compensation that Germany awarded for the few British survivors of Drancy the government tribunal refuses dismissing Drancy as merely a transit camp This decision stands in stark contrast to overwhelming evidence from survivors historians and authorities in Germany France Israel and beyond who recognize Drancy s true nature as a concentration camp A full twenty page stenographer s transcript of the tribunal meeting is included in the book *A Wartime Log for British Prisoners* Ian Cameron Munro Place,1944

Hitler's Island War Julie Peakman,2017-12-05 Highly Commended by the British Records Association for the 2019 Janette Harley Prize In September 1943 at the height of World War II the Aegean island of Leros became the site of the most pivotal battle of the Dodecanese campaign as the British tried in vain to retain control of the island Over the course of two short months from 15 September 1943 to 17 November 1943 almost 1500 men lost their lives and hundreds more ended up in Prisoner of War camps In this book Julie Peakman a modern day resident of Leros brings to life the story of the men caught up in the battle based on first hand interviews and written accounts including diaries letters and journals She tells of the preparations of the soldiers leading up to the battle the desperate hand to hand fighting and the suffering endured from continual bombings She also shows the extent of the men s despair at the allied surrender the many subsequent daring escapes as well as the terrible years of incarceration for those who were captured and imprisoned Many of the heart rending accounts of the battle are told here for the first time providing a unique eyewitness take on this forgotten corner of World War II

A WAR TIME LOG: DIARY OF A PRISONER OF WAR Peter William Sooby,2020-04-24 During WWII my father was a soldier in a reconnaissance unit During a mission in Cologne Germany he was captured by the German Army and held as a Prisoner Of War He was not only held in terrible conditions but also made to march hundreds of miles between various camps Through all this he managed to keep hidden a diary of his experiences during this time Should the diary have been found it would have cost him his life Still he took that chance His diary is a dated summary of all that he went through during his capture In the diary he made drawings of his surroundings and maps of both where he was captured and where he was marched across Europe These were all done from memory He also kept pictures and telegrams that he had collected during this time The war took a heavy toll on him both physically and mentally Already a small man he left imprisonment at only 80 pounds He struggled with his health for the remainder of his life Although he

never really talked about the war we knew the atrocities he had witnessed had affected him greatly Mom said he endured night sweats frequently and nightmares for years after Despite the challenges from his past and continually failing health my father pursued his passions and loved his family greatly until the time of his death We lost my Father due to health complications resulting from the war in 1988 at the age of only 72 Our family lost a great man father and grandfather His memory lives on in us today
