A Weekend With Claude:

A Weekend With Claude Beryl Bainbridge, 2012-12-06 Extremely lively TIMES LITERARY SUPPLEMENT A work of art SCOTSMAN Genius SUNDAY TIMES An old snapshot shows a group of friends lounging in the sunshine on a weekend in the country at the invitation of bearded satyric Claude and his wife Julia The girl in the centre is dreamy Lily whose latest failed love affair forms the purpose of the weekend as Lily's friends set out to help her ensnare an unwitting father for her unborn child Next to her is Norman a Marxist romantic hell bent on seducing his milk white hostess behind them is old persecuted Shebah and slightly apart the young man on whom all hopes are pinned quiet pleasant Edward Told through the fractured narratives of Claude Lily Shebah and Norman in Beryl Bainbridge's first published novel a darkly comic weekend of friendship and failure unravels

A Weekend with Claude Beryl Bainbridge, 1967 **Understanding Beryl Bainbridge** Brett Josef Grubisic, 2008 This is a comprehensive companion to the novelist's darkly comic social and historical works In this introduction to prolific British novelist Beryl Bainbridge Brett Josef Grubisic provides a biographical sketch of the writer discussion of her motivations and techniques and a detailed survey of her fiction that places the works in the traditions of British black comedy social novels and historical fiction Born near Liverpool in 1934 Bainbridge has explained that her troubled youth was instrumental in her choice to write novels A fractious family discouraging social milieu and wartime deprivations forged the darkly comic perspective that informs Bainbridge's fiction Emerging on the literary scene in the 1970s with widely praised novels such as *The Dressmaker* *The Bottle Factory Outing* *Sweet William* *A Quiet Life* and *Injury Time* Bainbridge quickly established a reputation for her keen observations of social dysfunction and her darkly comic tone In approaching her works Grubisic maps Bainbridge's movement from social to historical novels beginning with the comic historicism of *Young Adolf* and continuing to her most recent fiction *The Birthday Boys* *Every Man for Himself* *Master Georgie* and *According to Queeney* Grubisic holds that in portraying historical events through a variety of narrative techniques or from oblique vantage points Bainbridge's latest novels partially ally themselves with the style and ideological concerns of literary postmodernism while still recalling the defining view of hardship established in her youth

A Different Person James Merrill, Hilton Als, 2026-03-03 The son of extreme privilege who became a great American poet winner of every major poetry prize from the Pulitzer to the Bollingen looks back on his coming of age as a gay man before Stonewall in a charming searching memoir that was nominated for the National Book Critics Circle Award featuring a new introduction by Hilton Als Stands with Merrill's finest work Los Angeles Times Book Review James Merrill the son of Charles Merrill a founder of Merrill Lynch sailed for Europe in 1950 in part for the immersion in high culture and the art in part to escape his divorced parents and their prying eyes as well as the stifling round of their South Hampton NYC society Jimmy flings himself on this European adventure setting up house with a lover in Rome meeting Alice B Toklas and navigating his

crucial sometimes comic sessions with the ex pat psychoanalyst Dr Detre a wonderfully measured presence who helped the young man on the couch strive toward shaping the different person he hoped to become The sixty something Merrill who wrote this iconic memoir allowed his young self to take center stage not hiding his foibles but entering with his elder voice in italicized paragraphs here and there to provide revealing commentary that revises his callow judgments A book about the rocky and tender journey to gay adulthood all the more lasting because it is not narrowly conceived as a book about a poet it is the tale of a questing young man who seemingly has everything but knows it isn't much at all without enlightenment belonging and self understanding

The Dentwood Nudists Mervyn Evans, 2023-06-23 Claude Ball marries his childhood sweetheart and works in her father's garage which he takes over when his father in law dies After his wife dies he sells the garage and becomes involved in the local naturist club which he then buys There are problems with the local lads and the naturists take action This is publicised by the local paper and gives great amusement to the town Meanwhile the new owner of the garage and his secretary cause mayhem in the hotel after a sexy romp on a business trip The secretary marries a car salesman from the garage and they cause chaos on a motorway whilst driving a big American car There is also more chaos when the local hunt gets out of control and causes havoc by crashing into the naturist club grounds

Sex with the Wrong Men Louise Kennedy, 2003 PREFACE ONE Life is a journey How many times have we been reminded of this truism Perhaps by a well meaning friend or a passing bumper sticker only to forget a few moments later as the buzz of self talk resumes and we focus on the immanency of the day The human psyche is wired for survival food clothing and shelter are basic instincts and of course if we can provide a little or a lot more we can change survival into actual living Priorities demand we ease the transition of our journey by doing all of those things we need to do to make life pleasant rather than focusing on the journey itself As John Lennon said Life is what happens when we are busy doing other things Louise Kennedy is one of those remarkable people who are able to examine her life's journey face realistically the bad times remembering them without resentment rather than shutting them out or paving them over Louise has focused on her fascinating journey and recorded it for posterity in this amazing book When Louise and I met for the first time with the goal of examining her manuscript editing proof reading and shaping it for publication I was immediately charmed by her unassuming demeanor and engaging personality As I read through her copious notes I marveled at her tenacious writing skills her excellent memory and the fact that she has survived the abuse sexual trauma alcoholism and tragedy that have been her constant companions to become a whole person She lost three of her children two to accidental death and one to murder One frequently meets what I categorize as the walking wounded especially in the world of writing Many people suffered abuse during childhood and mistakenly believe their story would make a best seller particularly as a result of having been frequently prodded by friends and relatives saying you should write a book In truth very few do write that book for varying reasons which is just as well for very few would make it Louise's story is truly one of survival she has suffered throughout her life It is an odyssey in which is

encapsulated an extraordinary determination to exorcise the ghosts of her past and indeed her present despite countless disappointments and obstacles We readers find ourselves rooting for her but as the title suggests she inexplicably continues to make the wrong choices We would be wrong to fall into the trap of her apparent inaction the subterfuge that suggests she was the author of her own fate and why did she do this or she could have easily walked away from that so what s the matter with her Who knows what role fate plays in the spirituality of our choices For most life changing decisions are made in that aura Do we really make them single handedly or are they predetermined I would rather make countless mistakes than fail to make a decision at all thereby becoming a victim of inertia for within each mistake there are a plethora of lessons to be learned Perhaps there is more to Lord Alfred Tennyson s Tis better to have loved and lost than never to have loved at all than meets the eye I suspect there are many readers who will identify with Louise as they recognize themselves in her struggles For those who don t for those who had a life devoid of abuse struggle and heartache within these pages a story of an incredible woman awaits you Thomas Langley Smith January 16 2003 *MARTIN MAY V CLAUDE G.
