moved into the American Midwest setting BMO on a new trajectory The book s final chapters analyze BMO s contemporary experience after 1990 This two volume tour de force ends with a reflection on how exactly BMO s long term experience can generate relevant insight from hindsight as new leadership takes on the challenge of regeneration and renewal of one of Canada s founding financial institutions At its heart Whom Fortune Favours presents a multifaceted story about the making of contemporary finance This epic chronicle is the result of a massive research effort incorporating thousands of never before released internal documents Mussio s accessible narrative will appeal to both scholars and executives who seek to understand the origins development and present day implications of one of North America s great institutions

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him.
