To the Victor: Tales of Magic and Adventure Cathleen Townsend,2019-06-23 Can a feral refrigerator find a reason to exist How do unicorns live forever And is a platypus bound by the constraints of time and space like everyone else In these fourteen short stories these questions will be answered and more So dive in and discover characters and settings both familiar and strange And when you re done don t forget to leave pizza and beer out for the jobsite elves *The Encyclopedia of Martial Arts Movies* Bill Palmer,Karen Palmer,1995 The Encyclopedia covers the genre from 1920 to 1994 The genre however can be very confusing films often have several titles and many of the stars have more than one pseudonym In an effort to clarify some of the confusion the authors have included all the information available to them on almost 3 300 films Each entry includes a listing of the production company the cast and crew distributors running times reviews with star ratings whenever possible and alternate film titles A list of film series and one of the stars pseudonyms in addition to a 7 900 name index are also included Illustrated **The War That Never Ends** David L. Anderson,John Ernst,2014-03-11 More than three decades after the final withdrawal of American troops from Southeast Asia the legacy of the Vietnam War continues to influence political military and cultural discourse Journalists politicians scholars pundits and others have used the conflict to analyze each of America s subsequent military engagements Many Americans have observed that Vietnam era terms such as cut and run quagmire and hearts and minds are ubiquitous once again as comparisons between U S involvement in Iraq and in Vietnam seem increasingly appropriate Because of its persistent significance the Vietnam War era continues to inspire vibrant historical inquiry The eminent scholars featured in *The War That Never Ends* offer fresh and insightful perspectives on the continuing relevance of the Vietnam War from the homefront to humping in the boonies and from the great halls of political authority to the gritty hotbeds of oppositional activism The contributors assert that the Vietnam War is central to understanding the politics of the Cold War the social movements of the late twentieth century the lasting effects of colonialism the current direction of American foreign policy and the ongoing economic development in Southeast Asia The seventeen essays break new ground on questions relating to gender religion ideology strategy and public opinion and the book gives equal emphasis to Vietnamese and American perspectives on the grueling conflict The contributors examine such phenomena as the role of women in revolutionary organizations the peace movements inspired by Buddhism and Ho Chi Minh s successful adaptation of Marxism to local cultures *The War That Never Ends* explores both the antiwar movement and the experiences of infantrymen on the front lines of battle as well as the media s controversial coverage of America s involvement in the war *The War That Never Ends* sheds new light on the evolving historical meanings of the Vietnam War its enduring influence and its potential to influence future political and military decision making in times of peace as well as war [The Bibliographer](#) George Henry Sargent,1921 *The Magic of the Trees* Matthew R Brackley,2014-03-10 My compilation from my books of some of the most beautiful poems about trees A truly spiritual work on

The Eagle's Shadow James Branch Cabell,2020-12-01 The Eagle s Shadow 1904 is the debut novel of James Branch Cabell a master of fantasy fiction and an underrated figure of twentieth century American literature The novel is significant for being among few of Cabell s works to take place both around the time of its publication and to be set in the contemporary world Like many of his works however it paints an intricate portrait of romance and power immersing its reader into a fiction more real than they d care to admit Most of the novel s action occurs at Selwoode a recently built mansion located in the English countryside Following the death of her uncle Frederick Margaret Hugonin finds herself his unlikely heiress and is thrust into a life she could not have prepared for even if she had managed to imagine it in the first place As she faces down suitor after suitor while enduring a routine of lessons on philanthropy culture and charity she navigates the complexities of her love for Billy Woods her cousin through marriage and the nephew of Selwoode s deceased scion Frederick Throughout the story the eagle both Frederick s chosen heraldic animal and a symbol of power looms over their relationship The ill gotten nature of the family fortune acquired through the exploitation enabled by imperialism and solidified in the shadows of Wall Street threatens to destroy not only their love but their entire world The Eagle s Shadow a novel at times tragic and comedic is a brilliant and bold social critique masquerading as romance and a literary work for all time Cabell s work has long been described as escapist his novels and stories derided as fantastic and obsessive recreations of a world lost long ago To read The Eagle s Shadow however is to understand that the issues therein the struggle for power the unspoken distance between men and women were vastly important not only at the time of its publication but in our own divisive world With a beautifully designed cover and professionally typeset manuscript this edition of James Branch Cabell s The Eagle s Shadow is a classic of comedy and romance reimaged for modern readers
