A Touch Of Treason:

Treason's Reward Annay Dawson,2009-03-16 It s hard to tell who the traitors are when they work for the same government agency Agent Jack Golightly and his best friend and former agent as well Ward Lowe are trapped in the jungles of South America with no back up Putting out an SOS they have to wait for Jan Ward s wife and former PED agent herself Without knowing it they have stumbled onto a huge smuggling ring involving government agencies and headed up by a rival that would like nothing better than to see Ward and Jack dead and Jan belonging to him Fighting the government and the man that has betrayed Ward and Jan more times than they want to count they get help from unlikely sources

Treason's River Edwin Thomas,2006-12-26 A third installment of the series that began with Chains of Albion and The Blighted Cliffs finds lieutenant Martin Jerrold journeying to 1806 America in order to stop a dangerous conspiracy a mission that is complicated by the machinations of a beautiful woman

Treason's Truth Jeffrey Underwood,Kate Taylor,2012-06 This slice of historical fiction begins with the ancient vampire entity of The Forbidden Tome Hansel and Gretel s True Tale and of Lethal Assumed Lost Tome Found not in Germany of the 1850s or present day Seattle but in the days of yore when Scotland was in Mother Earth s womb and about to be birthed The tale of Cinaed Mac Alpin known commonly as Kenneth and his queen Aiobheean opens as his life is fledgling and he is a boy of seven in 818AD British Isles So much is primitive but moving towards formation of a nation The scale of the story is huge And yes it involves vampires and passionate embraces of significant characters in history Yet the book also includes the sweep of one hundred and forty critical years in the building of that romantic land they now call Scotland Have you ever wondered about what truly ensued with the incident known as Mac Alpin s Treason Or with the clash of the Pictish and Gael cultures and with how the Pictish way of life vanished Where did those tattooed people go Or with how the Catholic Church brought its weight upon the land Find answers sophisticated answers in this rendering There are descriptions of the people who allowed this time to flow down upon the world There are births deaths passion sadness and the tumultuous turmoil of a bold but wild era Sink your teeth into this tale

Treason's Crown Anne Wheeler,2020-05-05 A king in need of a bride A rebel leader in his dungeon A farmer s daughter with a choice This isn t a fairy tale The last thing Riette expects on a snowy winter s evening is Meirdre s royal guard appearing on her doorstep Their purpose The king needs a bride and tradition dictates the position is hers to accept Desperate to secure her parents future she agrees to the marriage and is whisked away to Lochfeld Castle all too aware her childhood friend is there as well imprisoned as a rebel in the dungeons below Leaving him to hang isn t an option even as her nuptials and his execution grow closer No matter what secrets the castle holds mysteries she alone can see or how desperate King Laurent is to marry an unknown peasant girl the glittering crown in her future is nothing more than a distraction from her new mission she ll free Thomas or die trying But what happens when succeeding at either means the downfall of Meirdre

Dismissal Nicholas Hasluck,2011-07-01 A thrilling tale of legal and political intrigue betrayal spies and treason spanning the

tumultuous decades in Australia leading up to The Dismissal in 1975 and a compelling tour by an insider through the corridors of parliamentary power the young idealist never knows where his good intentions may finish up When Roy temple and his friends are accused of espionage in the Cold War era a cloud of suspicion will linger over them for years although they are never charged with any crime twenty years later Roy is a leading barrister and key adviser to the federal government with a bold plan to resolve Australia s political crisis But the old allegations cast long shadows and even those he wishes to help doubt his motivation does he want to save the government or save himself Amid half truths leaks intrigues and false denials Roy is forced to confront his past to discover who he can trust and who has betrayed him all along Dismissal is a compelling political drama of the highest order and an insider s view of the democratic roundabout with all its flaws corruptions and dynamic energies
