jury was poised to indict Kramer and subpoenaed Don to testify The day before he would have he was murdered in broad daylight Nobody saw the shots but they heard them and then the high pitched whine of his shiny white Mercedes sports coupe the gas pedal floored by his dead foot full throttle And they saw the shooter s black Lincoln Town Car get away Somebody was afraid of what he was going to say The cops concluded it was Kramer and everyone who thought that was right But actually Kramer seemed the least affected by what Don probably would have testified to and his absence didn t stop two grand juries from indicting Kramer and two trial juries from convicting him Were the waters deeper than that
