The True Account of Adam and Eve Ken Ham,2012-10-01 Where mankind s history began impacts how our future will end The biblical answer to the question Were Adam and Eve real people or just generic references for all of mankind Explains the connection between original sin and the gospel Emphasizes the importance of Adam and Eve as literal history to young and old alike When you unlock the door to biblical compromise the door gets pushed open wider with each generation The Church is now debating the validity of Genesis as actual history the reality of hell itself and even if Adam was a real person Trying to change the biblical time line to fit with the secular concepts of millions of years has led many in Christian academia to reject the literal interpretation of the Bible itself Perfect for children the book helps them discover the truth about the first man and woman and how their disobedience led to the need for Jesus Christ

The Complete Biography of Prophet Adam (Pbuh) and Eve (Hawa) Muhammad Vandestra,2018-01-10 Prophet Adam is believed to have been the first human being and prophet on Earth in Islam Adam s role as the father of the human race is looked upon by Muslims with reverence Muslims also refer to his wife Hawa or Eve as the mother of mankind Muslims see Adam as the first Muslim as the Qur an states that all the Prophets preached the same faith of Islam Submission To One God The Qur an and hadith give the same account of the creation of Adam and Eve Synthesizing the Qur an with Sunni hadith can produce the following account According to the Qur an when God informed the angels that he was going to put a successor on Earth they questioned whether the human would cause bloodshed and damage but he told them that he knew what they did not He created Adam from clay and breathed life into him Hadith add that he was named Adam after the clay he was made out of or the skin adim of the earth Returning to the Qur an when Allah SWT God asked all the angels to prostrate before Adam they all obeyed except Iblis Lucifer from Jinn race demon He said I am made from fire when Adam is from clay I am better than him I am not going to prostrate before him

Sunni hadith say that while Adam was sleeping God took a rib from him and from it he created Eve however while the creation of Adam and Eve is referred to in the Qur'an the exact method of creation is not specified The Qur'an then says that God commanded that Adam and Eve not eat from one tree in the garden of Eden but Iblis was able to convince them to taste it They then began to cover themselves because they now knew that they were naked For this God banished Adam and Eve to earth non canonical Sunni hadith say that fruits were turned to thorns and pregnancy became dangerous Non canonical Sunni hadith also say that Adam and Eve were cast down far apart so that they had to search for each other and eventually met each other at Mount Arafat In Islamic theology it is not believed that Adam's sin is carried by all of his children Hadith say that once Adam was on earth God taught him how to plant seeds and bake bread This was to become the way of all of Adam's children Adam proceeded to live for about 1000 years though this has been a topic of debate According to the story of Adam humankind has learnt everything from Adam He was the first to learn to plant harvest and bake as well as the first to be told how to repent and how to properly bury someone God also revealed the various food restrictions and the alphabet to Adam He was made the first prophet and he was taught 21 scrolls and was able to write them himself Adam was also created from earth It is well known that earth produces crops supports animals and provides shelter among many other things Earth is very important to humankind so being created from it makes them very distinct According to some Hadith the various races of people are even due to the different colors of soil used in creating Adam The soil also contributed to the idea that there are good people and bad people and everything in between in the world Adam is an important figure in many other religions besides Islam The story of Adam varies slightly across religions but manages to maintain a general theme and structure
