Digital Stimulation Mimi Marinucci, 2024-09-05 Digital Stimulation explores the subject of intimacy including romantic and sexual intimacy between human and nonhuman entities particularly technological entities As relationships between humans and machines become increasingly prevalent it is important to address the potential for such relationships to reflect to reinforce or to reinvent existing hierarchies The distinction between man and machine like the distinction between man and beast between man and brute between man and nature between man and woman and so on is an expression of the anthropocentrism and androcentrism permeating western ideas of self and other Concerns about the representation or misrepresentation and treatment or mistreatment of machines are of consequence for other human and nonhuman others as well and this book details many of the ways in which depictions of machines especially robots mirror ideas and attitudes about various human and nonhuman others This book also addresses the ongoing development of machines designed explicitly for intimate engagement with humans such as sex robots As they become more and more lifelike it becomes progressively more urgent to cultivate compassion toward such machines *Junior High School Library Catalog* ,1980 *Boys' Life* ,1979 *The Winner's Curse...* Dee Walker, 2014-12-10 Power does not corrupt Fear corrupts perhaps the fear of a loss of power John Steinbeck Orphan Harsh makes it to the billionaire club with a burning vision sheer intellect and the blessings of his political Godfather The favours must now be paid back through a huge Guru Dakshina To honour his Master s wish Harsh with the help of his fellow IITians sets out to create a never seen before governance technology that will change the face of democratic India Everything is at stake money reputations egos and morals Even lives Will they succumb to insatiable greed in the murky games of politics backstabbing and subterfuge or will they be redeemed by the Ten Commandments that once forged their ideals at college If you thought that supreme technology and unalloyed power can bring lasting public good or that e governance and transparency can address the ills of our system The Winner s Curse will force you to think again For ultimately what s at stake is YOU The Winner s Curse the turbulent voyage of talent and intellect in the morass of turpitude Transplanted and Artificial Body Organs Arnold Madison, 1981 Discusses the development of artificial and transplanted body organs The Best in Children's Books ,1979 *The Bookseller* ,1979 Reviews Young Adults Cooperative Book Review Group of Massachusetts, 1978 Medicine Dennis B. Fradin, 1989 Surveys the history and current status of the field of medicine and makes future projections about such developments as genetic engineering and the conquest of disease Incarnate: Essence Thomas Harper, 2019-04-18 Following the events in Incarnate Existence the handful of desperate freedom fighters known as the forty eights led by an immortal being who is reincarnated every time they die are indelibly transformed by what happened Beset by violent insurgents mounting corporate influences frantic ideological governments and a group of zealous hackers known as the Anonymous Knights our protagonist attempts to hold the forty eights together even as their own mind seems to be coming apart Propelled into an unfamiliar future where

advanced technology can alter the very genetics of a human being where the scourge of a new drug called Shift threatens to become an epidemic and where global conspiracies endeavor to steer the tides of destiny our protagonist will continue seeking answers to their own puzzling existence as a possible way to ensure a better future for humanity In this second installment of the five part Incarnate series old and new allies join our protagonist no matter what body they come to inhabit In Incarnate Essence success is grim but failure is not an option     The Publishers' Trade List Annual ,1980     *Children's Book Review Index* ,1985     Current Book Review Citations ,1982     Bulletin of the Center for Children's Books University of Chicago.
