*The Boy at the Gate* Danny Ellis,2013-09-01 Danny Ellis is a survivor strong and resilient An acclaimed singer songwriter he is proud of the way he handled his difficult past poverty in the 1950s Dublin slums and the brutality of the Artane Industrial School He felt as though he had safely disposed of it all until one night while writing the powerful song that would launch his highly praised album 800 Voices A searing testament Irish Times Danny s past crept back to haunt him Confronted by forgotten memories of betrayal and abandonment he was stunned to discover that his eight year old self was still trapped in a world he thought he had left behind Although unnerved by his experience Danny begins an arduous journey that leads him back to the streets of Dublin the tenement slums and ultimately the malice and mischief of the Artane playground What he discovers with each twist and turn of his odyssey will forever change his life Elegantly written this is a brutally honest often harrowing depiction of a young boy s struggle to survive orphanage life and stands as an inspiring testament to the healing power of music and love
