more disciples this book offers proven tools and strategies from Real Life Ministries one of America's fastest growing churches In this book you will learn How to create churches that succeed and grow How to intentionally disciple believers in every stage of their spiritual development How to find and develop leaders in your church This book also contains these helpful features A summary and profile of each stage of spiritual growth Recommended resources for disciple makers Spiritual facts A presentation of the gospel Discover what the Bible says about true and effective discipleship with these strategies and practices in this great church resource [Making Disciples](#) Ralph Moore,2012-12-21 The Great Commission is to make disciples Renowned church planter and pastor Ralph Moore shows leaders why a focus on making disciples is the essential next step once a church is planted This biblical practical handbook will guide churches of any size to focus their ministries around Jesus's command to his followers to make disciples of all nations Making Disciples offers a model of church ministry that sees every member as a minister and it will become an indispensable resource for equipping a new generation of disciple makers *The Disciple-Making Pastor* Bill Hull,2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor's role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church **Making Disciples in the Twenty-First Century Church** Joel Comiskey,2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God's ultimate plan does he have a particular purpose for the cell based church I've been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28:18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted

them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God s Word All three aspects are essential to form disciples Training is needed because disciples won t learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God s Word worship and receive fresh vision The goal of the two wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I ve read all of Joel Comiskey s books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I m looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans ___ I am so excited about Joel Comiskey s new book Making Disciples in the Twenty First Century Church When I m asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won t only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church President and Founder Antioch Ministries International ___ I really like that Joel asked the Why question before the How question He even takes on the What question which is just as important The interest in discipleship is greater now than anytime in the last fifty years I fear however that we are using the same words but are not speaking the same language I recommend this work I cheer Joel on he joins many of us who are masters of the obvious It seems so obvious that our purpose is to be disciples and make disciples I cheer him on because he goes beyond the What and Why and does address the How This will help any person who reads it and I pray that there will be many Bill Hull Author of Jesus Christ Disciple Maker Disciple Making Pastor Disciple Making Church and The Complete Book of Discipleship Adjunct Faculty at Talbot School of Theology Biola University __ The history of the cell church movement in Brazil has many names of great man of God Joel Comiskey certainly is one of them We see how over the years his understanding of the New Testament Church has deepened Again Joel surprises us with this jewel He

simple plan to equip the church He encourages Christians and ministry leaders to think critically about disciple making and to commit to Jesus Great Commission Michael makes the convincing argument that our willingness to engage in personal disciple making will deepen our own walks with Jesus and create a movement within our churches communities and countries that will impact generations for the sake of Christ [Becoming a Disciple-Making Church](#) Neil T.

Anderson,2016-01-26 Proven Methods for Turning Believers into Disciples What does it mean to grow a convert into a disciple And how do we help our people get there Neil Anderson s Freedom in Christ ministry has been walking individuals through these steps for over a quarter century Now he turns his attention to pastors and church leaders teaching them how to help their people resolve personal and spiritual conflicts including everything from difficult marriages to unrepentant sin to church disputes Before someone can mature spiritually they must be established alive and free in Christ through genuine repentance and faith in God This means churches must resolve their people s conflicts as the first step to discipleship rather than referring them to professional counselors We as believers have the answers for mental and emotional problems and through this ministry of reconciliation true discipleship happens **Leading the Discipleshift: Becoming a**

English,2020-09-29 Everyone is being disciplined The question is what is discipling us The majority of Christians today are being disciplined by popular media flashy events and folk theology because churches have neglected their responsibility to make disciples But the church is not a secondary platform in the mission of God it is the primary platform God uses to grow people into the image of Jesus Therefore as church leaders it is our primary responsibility to establish environments and relationships where people can be
